Acarosporaceae - 17 taxa

- ___ *Acarospora cervina*
cracked lichen
- ___ *Acarospora chrysops*
Golden Cobblestone Lichen
- ___ *Acarospora fuscata*
Brown Cobblestone Lichen
- ___ *Acarospora janae*
Jana's Cobblestone Lichen
- ___ *Acarospora obpallens*
cracked lichen
- ___ *Acarospora privigna*
Common Coal-dust Lichen
- ___ *Acarospora schleicheri*
Soil Paint Lichen
- ___ *Acarospora sinopica*
Orange Cobblestone Lichen
- ___ *Acarospora subfuscescens*
a lichenicolous fungus
- ___ *Acarospora tuckerae*
Tucker's Cobblestone Lichen
- ___ *Glypholecia scabra*
Desert Rockscab Lichen
- ___ *Sarcogyne clavus*
Club Grain-spored Lichen
- ___ *Sarcogyne hypophaea*
Stepdaughter Grain-spored Lichen
- ___ *Sarcogyne regularis*
Frosted Grain-spored Lichen
- ___ *Sarcogyne similis*
a grain-spored lichen
- ___ *Trimmatothelopsis americana*
- ___ *Trimmatothelopsis dispersa*
Dispersed Cobblestone Lichen

Agyriaceae - 1 taxa

- ___ [^]*Agyrium rufum*
Rufous Dot Fungus

Amphisphaeriaceae - 1 taxa

- ___ *Amphisphaeria bufonia*
Gray Tree Pyrenofungus

Andreiomycetaceae - 1 taxa

- ___ *Andreiomyces morozianus*
Moroz' Dust Lichen

Aphanopsidaceae - 1 taxa

- ___ *Steinia geophana*
Metal Soil Lichen

Arthoniaceae - 44 taxa

- ___ *Arthonia agelastica*
Herded Comma Lichen
- ___ *Arthonia albovirescens*
White-green Comma Lichen
- ___ *Arthonia anglica*
English Comma Lichen
- ___ *Arthonia apatetica*
comma lichen
- ___ *Arthonia atra*
scribble lichen
- ___ **Arthonia coronata*
Crowned Comma Fiungus
- ___ *Arthonia cupressina*
Golden Spruce Dots

Arthoniaceae

- ___ *Arthonia diffusa*
Diffuse Comma Lichen
- ___ **Arthonia frostiicola*
Frosted Medallion Lichen Fungus
- ___ **Arthonia galligena*
a gall-forming lichen fungus
- ___ *Arthonia interveniens*
comma lichen
- ___ *Arthonia lapidicola*
comma lichen
- ___ *Arthonia ligniariella*
Old Wood Comma Lichen
- ___ *Arthonia mediella*
comma lichen
- ___ *Arthonia montagnei*
Montagne's Lichen
- ___ [^]*Arthonia quintaria*
Five-septate Comma Fungus
- ___ *Arthonia radiata*
Asterisk Lichen
- ___ *Arthonia rubella*
Rufous Comma Lichen
- ___ [^]*Arthonia samdykeana*
Samuel Dyke's Comma Fungus
- ___ *Arthonia stevensoniana*
Stevenson's Comma Lichen
- ___ **Arthonia subconveniensi*
a lungwort comma fungus
- ___ *Arthonia subdiffusa*
Sabal Palm Comma Lichen
- ___ *Arthonia susa*
Southeastern Comma Lichen
- ___ *Arthonia taedescens*
comma lichen
- ___ *Arthonia vinosa*
Wine Red Comma Lichen
- ___ *Arthothelium ruanum*
Jaguar-spot Comma Lichen
- ___ *Arthothelium spectabile*
Spectacular Comma Lichen
- ___ *Coniarthonia kermesina*
Hot Dots
- ___ *Coniarthonia pyrrhula*
red dot lichen
- ___ *Coniocarpon cinnabarinum*
Bloody Comma Lichen
- ___ *Coniocarpon rubrocinctum*
Crimson Frosted Palmetto Lichen
- ___ *Cryptothecia striata*
Striate Felt Lichen
- ___ *Diarthonis spadicea*
comma lichen
- ___ *Herpothallon rubrocinctum*
Christmas Lichen
- ___ *Herpothallon rubroechinatum*
- ___ *Herpothallon rubrogranulosum*
Red Granular Herpothallon
- ___ *Inoderma byssaceum*
comma lichen

Arthoniaceae

- *Inoderma epigaeum*
Epigeal Clot Lichen
- *Inoderma subabietinum*
an inoderma lichen
- *^Naevia dispersa*
Dispersed Comma Fungus
- *^Naevia punctiformis*
Dot Comma Lichen
- *Sporodophoron americanum*
White Spot Lichen
- *Synarthonia hodgesii*
Hodges' Comma Lichen
- *Tylophoron hibernicum*
Irish Tylophoron

Baeomycetaceae - 1 taxa

- *Baeomyces rufus*
Brown Beret Lichen

Bionectriaceae - 3 taxa

- **Nectriopsis lecanodes*
- **Nectriopsis rubefaciens*
a lichenicolous fungus
- **Xenonectriella subimperspicua*
a lichenicolous fungus

Brigantieaceae - 2 taxa

- *Brigantiaea leucoxantha*
Brick-spored Lichen
- *Letrouitia parabola*
a letrouitia lichen

Caliciaceae - 50 taxa

- *Amandinea langloisii*
Langlois' Button Lichen
- *Amandinea milliaria*
button lichen
- *Amandinea polyspora*
Many-spored Button Lichen
- *Amandinea punctata*
Tiny Button Lichen
- *Baculifera curtisii*
Curtis' Button Lichen
- *Baculifera imshaugiana*
Imshaug's Button Lichen
- *Buellia badia*
Parasitic Button Lichen
- *Buellia disciformis*
Boreal Button Lichen
- *Buellia elizae*
Eliza's Button Lichen
- *Buellia erubescens*
Common Button Lichen
- *Buellia lepidastra*
button lichen
- *Buellia maculata*
Spotted Button Lichen
- *Buellia mamillana*
button lichen
- *Buellia parastata*
button lichen
- *Buellia schaereri*
Schaerer's Button Lichen
- *Buellia spuria*
Sunken Rock Buttons
- *Buellia stellulata*
button lichen
- *Buellia subnexa*
a button lichen
- *Buellia vernicoma*
button lichen

Caliciaceae

- *Calicium abietinum*
Black Stubble Lichen
 - *Calicium adpersum*
Spiral-spored Gilded-head Pin Lichen
 - *Calicium carolinianum*
Carolina Soot Lichen
 - *Calicium glaucellum*
pin lichen
 - *Calicium hyperelloides*
pin lichen
 - *Calicium lenticulare*
Candlewax Stubble Lichen
 - *Calicium parvum*
Rusted Stubble Lichen
 - *Calicium salicinum*
Rusted Stubble Lichen
 - *Calicium tigillare*
Yellow Soot Lichen
 - *Calicium trabinellum*
Yellow Collar Stubble Lichen
 - *Calicium viride*
Green Stubble Lichen
 - *Chromofulvea dialyta*
button lichen
 - *Ciposia wheeleri*
Wheeler's Button Lichen
 - *Dermisellum oulocheilum*
Catawba River Spotted Lichen
 - *Dimelaena oreina*
Moonglow Lichen
 - *Diplotomma albostratum*
Grayish Button Lichen
 - *Dirinaria aegialita*
Grainy Medallion Lichen
 - *Dirinaria confluens*
Wavy Medallion Lichen
 - *Dirinaria confusa*
White Medallion Lichen
 - *Dirinaria frostii*
Frosted Medallion Lichen
 - *Dirinaria picta*
Powdery Medallion
 - *Dirinaria purpurascens*
Purple-eyed Medallion Lichen
 - *Gassicurtia acidobaeomyceta*
button lichen
 - *Orcularia insperata*
button lichen
 - *Pyxine albovirens*
White-green Mustard Lichen
 - *Pyxine caesiopruinosa*
Orange Button Rosette Lichen
 - *Pyxine eschweileri*
Eschweiler's Rosette Lichen
 - *Pyxine physciaeformis*
mustard lichen
 - *Pyxine sorediata*
a mustard lichen
 - *Pyxine subcinerea*
Ashy Mustard Lichen
 - *Sculptolumina japonica*
Japanese Button Lichen
- ## Candelariaceae - 6 taxa
- *Candelaria concolor*
Elfin Candleflame Lichen
 - *Candelaria fibrosa*
Fringed Candleflame Lichen

Candelariaceae

- *Candelariella efflorescens*
Powdery Goldspeck
- *Candelariella vitellina*
Common Goldspeck Lichen
- *Candelariella xanthostigma*
Granular Goldspeck Lichen
- *Candelariella xanthostigmoides*
goldspeck lichen

Carbonicolaceae - 1 taxa

- *Carbonicola anthracophila*
Small Clam Lichen

Catillariaceae - 3 taxa

- *Catillaria fungoides*
a dot lichen
- *Catillaria lenticularis*
a black dot lichen
- *Catillaria nigroclavata*
a black dot lichen

Chrysothricaceae - 7 taxa

- *Chrysothrix bergeri*
Berger's Gold Dust Lichen
- *Chrysothrix caesia*
Frosted Comma Lichen
- *Chrysothrix chamaecyparicola*
White Cedar Gold Dust Lichen
- *Chrysothrix insulizans*
gold dust lichen
- *Chrysothrix onokoensis*
gold dust lichen
- *Chrysothrix susquehannensis*
Susquehanna Gold Dust Lichen
- *Chrysothrix xanthina*
Common Gold Dust Lichen

Cladoniaceae - 88 taxa

- *Cetradonia linearis*
Rock Gnome Lichen
- *Cladonia abbreviatula*
Abbreviated Cladonia
- *Cladonia amaurocraea*
Quill Lichen
- *Cladonia anitae*
Anita's Cladonia
- *Cladonia apodocarpa*
Stalkless Cladonia
- *Cladonia appalachiensis*
Appalachian Cladonia
- *Cladonia arbuscula*
reindeer lichen
- *Cladonia atlantica*
Atlantic Cup Lichen
- *Cladonia beaumontii*
Beaumont's Cladonia
- *Cladonia botrytes*
Stump Lichen
- *Cladonia caespiticia*
Stubby-stalked Cladonia
- *Cladonia cariosa*
Split-peg Soldiers
- *Cladonia carneola*
Crowned Pixie-cup
- *Cladonia caroliniana*
Granite Thorn Cladonia
- *Cladonia cenotea*
Powdered Funnel Lichen
- *Cladonia cervicornis*
ladder lichen

Cladoniaceae

- *Cladonia chlorophaea*
Mealy Pixie-cup
- *Cladonia ciliata*
Ciliate Reindeer Lichen
- *Cladonia coccifera*
Red Pixie Cup
- *Cladonia coniocraea*
Common Powderhorn
- *Cladonia conista*
cup lichen
- *Cladonia conspicua*
reindeer lichen
- *Cladonia cornuta*
Bighorn Pixie Lichen
- *Cladonia crispata*
Greater Organ Pipe Lichen
- *Cladonia cristatella*
British Soldiers
- *Cladonia cryptochlorophaea*
Hidden Mealy Pixie-cup Lichen
- *Cladonia cylindrica*
Cylindrical Powderhorn
- *Cladonia dactylota*
Finger Cladonia
- *Cladonia decorticata*
Branching Pixie Pebblehorn Lichen
- *Cladonia didyma*
Southern Soldiers
- *Cladonia digitata*
Finger Pixie-cup Lichen
- *Cladonia dimorpha*
Troubled Pixie Cup
- *Cladonia dimorphoclada*
Prostrate Thorn Cladonia
- *Cladonia evansii*
Powder Puff Lichen
- *Cladonia fimbriata*
Trumpet Lichen
- *Cladonia floerkeana*
Devil's Matchsticks
- *Cladonia floridana*
Bramble Cladonia
- *Cladonia furcata*
Forked Cladonia
- *Cladonia gracilis*
Smooth Cladonia
- *Cladonia gracilis subsp. turbinata*
Bronze Pixie-cup
- *Cladonia grayi*
Gray's Pixie-cup Lichen
- *Cladonia humilis*
Humble Pyxie-cup
- *Cladonia ignatii*
St. Ignatius Cladonia
- *Cladonia incrassata*
Powder-foot British Soldiers
- *Cladonia leporina*
Jester Lichen
- *Cladonia macilenta*
Lipstick Powderhorn
- *Cladonia mateocyatha*
Mixed-up Pixie Cups
- *Cladonia merochlorophaea*
Gritty Pixie-cup
- *Cladonia mitis*
Green Reindeer Lichen

Cladoniaceae

- __ *Cladonia multiformis*
Shape-shifting Pixie Lichen
- __ *Cladonia ochrochlora*
Smooth-footed Powderhorn
- __ *Cladonia pachycladodes*
Thick-walled Cladonia
- __ *Cladonia parasitica*
Fence-rail Cladonia
- __ *Cladonia perlomera*
cup lichen
- __ *Cladonia petrophila*
Rock-loving Cladonia
- __ *Cladonia peziziformis*
Turban Lichen
- __ *Cladonia phyllophora*
Felt Clad Pyxie Lichen
- __ *Cladonia piedmontensis*
Scruffy Peg Lichen
- __ *Cladonia pleurota*
Red-fruited Pixie-cup Lichen
- __ *Cladonia portentosa*
a reindeer lichen
- __ *Cladonia pyxidata*
Pebbled Pyxie-cup Lichen
- __ *Cladonia ramulosa*
Branched Pixie-cup Lichen
- __ *Cladonia rangiferina*
Gray Reindeer Lichen
- __ *Cladonia rappii*
Slender Ladder Lichen
- __ *Cladonia ravenelii*
Ravenel's Cladonia
- __ *Cladonia rei*
Wand Lichen
- __ *Cladonia robbinsii*
Yellow Tongue Cladonia
- __ *Cladonia sandstedei* subsp. *subtenuis*
Southern Reindeer Lichen
- __ *Cladonia santensis*
Santee Cladonia
- __ *Cladonia scabriuscula*
Mealy Forked Cladonia
- __ *Cladonia simulata*
Branched Turban Lichen
- __ *Cladonia squamosa*
Dragon Cladonia
- __ *Cladonia stellaris*
Star-tipped Reindeer Lichen
- __ *Cladonia stipitata*
Stipitate Cladonia
- __ *Cladonia strepsilis*
Olive Cladonia
- __ *Cladonia stygia*
Styx Black-footed Reindeer Lichen
- __ *Cladonia subcariosa*
Peg Lichen
- __ *Cladonia submitis*
Dune Reindeer Lichen
- __ *Cladonia subradiata*
Powdery Peg Lichen
- __ *Cladonia subsetacea*
Sandy Cladonia
- __ *Cladonia subulata*
Antlered Pixie Lichen
- __ *Cladonia symphycarpa*
Greater Thatch Soldiers

Cladoniaceae

- __ *Cladonia turgida*
Crazy Scale Lichen
- __ *Cladonia uncialis*
Thorn Cladonia
- __ *Cladonia verticillata*
Ladder Lichen
- __ *Pilophorus cereolus*
Powdered Matchstick Lichen
- __ *Pilophorus fibula*
Appalachian Matchsticks
- __ *Pycnothelia papillaria*
Gnome Fingers

Coccocarpiceae - 4 taxa

- __ *Coccocarpia erythroxyli*
Fruiting Shell Lichen
- __ *Coccocarpia palmicola*
Salted Shell Lichen
- __ *Coccocarpia pellita*
a shell lichen
- __ *Spilonema revertens*
Rock Hairball Lichen

Coenogoniaceae - 2 taxa

- __ *Coenogonium luteum*
Orange Dimple Lichen
- __ *Coenogonium pineti*
Pine Dimple Lichen

Collemtaceae - 36 taxa

- __ *Collema flaccidum*
Flaking Tarpaper Lichen
- __ *Collema furfuraceum*
Effervescent Tarpaper Lichen
- __ *Collema leptaleum*
Crumpled Bat's Wing Lichen
- __ *Collema nigrescens*
Broadleaf Blistered Jelly Lichen
- __ *Collema pulcellum*
Blistered Jelly Lichen
- __ *Collema pulcellum* var. *leucopeplum*
a blistered jelly lichen
- __ *Collema pulcellum* var. *subnigrescens*
Blistered Jelly Lichen
- __ *Collema rysssoleum*
Blistered Rock-jelly Lichen
- __ *Collema subflaccidum*
Tree Jelly Lichen
- __ *Enchylium conglomeratum*
Dotted Jelly Lichen
- __ *Enchylium tenax*
Tar Jelly Lichen
- __ *Lathagrium fuscovirens*
Crumpled Rock Tarpaper Lichen
- __ *Leptogium acadense*
Acadian Jellyskin
- __ *Leptogium austroamericanum*
South American Jellyskin
- __ *Leptogium azureum*
Blue Jellyskin
- __ *Leptogium brebissonii*
Jujube Jellyskin
- __ *Leptogium burnetiae*
Burnet's Skin Lichen
- __ *Leptogium byssinum*
Granular Jellyskin
- __ *Leptogium chloromelum*
Ruffled Jellyskin
- __ *Leptogium cochleatum*
Cochlear Jellyskin

Collemataceae

- ___ *Leptogium corticola*
Blistered Jellyskin Lichen
- ___ *Leptogium cyanescens*
Blue Jellyskin Lichen
- ___ *Leptogium hibernicum*
Hibernia Jellyskin
- ___ *Leptogium hirsutum*
Hairy Jellyskin
- ___ *Leptogium isidiosellum*
Isidiate Jellyskin
- ___ *Leptogium juressianum*
a jellyskin lichen
- ___ *Leptogium laceroides*
jellyskin
- ___ *Leptogium milligranum*
Stretched Jellyskin
- ___ *Leptogium moluccanum*
Moluccas Jellyskin
- ___ *Leptogium phyllocarpum*
Leafy Skin Lichen
- ___ *Leptogium saturninum*
Saturn Jellyskin
- ___ *Rostania callibotrys*
jelly lichen
- ___ *Scytinium dactylinum*
Brown Button Jellyskin
- ___ *Scytinium juniperinum*
Juniper Jellyskin
- ___ *Scytinium lichenoides*
Tattered Jellyskin
- ___ *Scytinium teretiusculum*
Curly Jellyskin

Coniocybaceae - 16 taxa

- ___ *Chaenotheca brunneola*
Brown-headed Stubble Lichen
- ___ *Chaenotheca chlorella*
Green Pin Lichen
- ___ *Chaenotheca chrysocephala*
Canary Stubble Lichen
- ___ *Chaenotheca cinerea*
Ashy Stubble Lichen
- ___ *Chaenotheca ferruginea*
Rusty Stubble Lichen
- ___ *Chaenotheca floridana*
Florida Stubble Lichen
- ___ *Chaenotheca furfuracea*
Sulfur Stubble Lichen
- ___ *Chaenotheca hispidula*
Hispid Needle Lichen
- ___ *Chaenotheca hygrophila*
Moisture-loving Stubble Lichen
- ___ *Chaenotheca laevigata*
Lemon-Twist Stubble Lichen
- ___ *Chaenotheca nitidula*
a stubble lichen
- ___ *Chaenotheca sphaerocephala*
Round-headed Pin Lichen
- ___ *Chaenotheca stemonea*
Miner's Stubble Lichen
- ___ *Chaenotheca trichialis*
Frog Whiskers
- ___ *Chaenotheca xyloxena*
Wood Pin Lichen
- ___ *Chaenotricha obscura*
Balsam Pin Lichen

Cordieritidaceae - 3 taxa

- ___ **Rhymbocarpus neglectus*
Neglected Dust Lichen Fungus

Cordieritidaceae

- ___ **Skyttea lecanorae*
a rim lichen fungus
- ___ **Skyttea radiatilis*
a lichenicolous fungus

Corticaceae - 2 taxa

- ___ **Laetisaria buckii*
- ___ **Marchandiomyces corallinus*
a lichenicolous fungus

Cyphobasidiaceae - 1 taxa

- ___ **Cyphobasidium hypogymniicola*
Loop Lichen Cyphobasidium

Cystocoleaceae - 1 taxa

- ___ *Cystocoleus ebeneus*
Rock Hair Lichen, Velvet Lichen

Dacampaceae - 1 taxa

- ___ **Pyrenidium aggregatum*
Physcioid Gall Fungus

Dacampiaceae - 1 taxa

- ___ *Eopyrenula intermedia*
a facultative pyrenolichen

Dactylosporaceae - 5 taxa

- ___ **Sclerococcum glaucomarioides*
Saucer Lichen Fungus
- ___ **Sclerococcum inquilinum*
Spotted Wart Lichen Fungus
- ___ **Sclerococcum lobariellum*
Lung Lichen Button Fungus
- ___ **Sclerococcum luridum*
a black button fungus
- ___ **Sclerococcum pertusariicola*
Wart Lichen Button Fungus

Didymellaceae - 1 taxa

- ___ *^Epicoccum nigrum*
a blotch fungus

Epigloeaceae - 1 taxa

- ___ *Epigloea pleiospora*
Algal Gel Fungus

Filobasidiaceae - 2 taxa

- ___ **Zyzygomyces physciacearum*
a lichenicolous fungus
- ___ **Zyzygomyces polyblastidii*

Fuscideaceae - 7 taxa

- ___ *Albemarlea pamlicoensis*
Albemarle-Pamlico Lichen
- ___ *Fuscidea appalachensis*
Appalachian Quilt Lichen
- ___ *Fuscidea arboricola*
Arboreal Quilt Lichen
- ___ *Fuscidea recensa*
a quilt lichen
- ___ *Fuscidea recensa var. arcuatula*
a quilt lichen
- ___ *Maronea constans*
a maronea lichen
- ___ *Maronea polyphaea*
Many-spored Maronea

Gomphillaceae - 18 taxa

- ___ *Arthotheliopsis floridensis*
Florida Leaf Lichen
- ___ *Asterothyrium decipiens*
a leaf lichen
- ___ *Aulaxina quadrangula*
Angle-ring Leaf-whiskers
- ___ *Gomphillus americanus*
American Gomphillus
- ___ *Gomphillus calycioides*
a gomphillus lichen

Gomphillaceae

- ___ *Gyalectidium appendiculatum*
Hemlock Needle Leaf-lichen
 - ___ *Gyalideopsis bartramiorum*
Bartram's Gyalideopsis
 - ___ *Gyalideopsis buckii*
Buck's Gyalideopsis
 - ___ *Gyalideopsis epicorticis*
Epicortic Gyalideopsis
 - ___ *Gyalideopsis mexicana*
 - ___ *Gyalideopsis moodyae*
Moody's Gyalideopsis
 - ___ *Gyalideopsis ozarkensis*
Ozark Gyalideopsis
 - ___ *Gyalideopsis piceicola*
Spruce Gyalideopsis
 - ___ *Gyalideopsis pusilla*
 - ___ *Gyalideopsis subaequatoriana*
Subequal Gyalideopsis
 - ___ *Jamesiella anastomosans*
James' Lichen
 - ___ *Microxyphiomyces santessonii*
Santesson's Tricharia
 - ___ **Paragyaleopsis floridae*
- Graphidaceae - 82 taxa**
- ___ *Acanthothecis fontana*
Fontana Fissure Lichen
 - ___ *Acanthothecis leucopepla*
a white fissure lichen
 - ___ *Acanthothecis leucoxanthoides*
Lemon Fissure Lichen
 - ___ *Acanthothecis mosquitensis*
Mosquito Fissure Lichen
 - ___ *Acanthothecis paucispora*
Few-spored Fissure Lichen
 - ___ *Acanthothecis peplophora*
Pastry Script Lichen
 - ___ *Acanthothecis poitaeoides*
a fissure lichen
 - ___ *Allographa hossei*
Hosse's Script Lichen
 - ___ *Allographa lumbricina*
script lichen
 - ___ *Allographa rimulosa*
script lichen
 - ___ *Allographa sterlingiana*
Mount Sterling Script Lichen
 - ___ *Allographa striatula*
Striate Script Lichen
 - ___ *Diploschistes actinostomus*
crater lichen
 - ___ *Diploschistes muscorum*
Cowpie Lichen
 - ___ *Diploschistes scruposus*
crater lichen
 - ___ *Dyplolabia afzelii*
Powdered Script Lichen
 - ___ *Fissurina alligatorensis*
Alligator River Fissure Lichen
 - ___ *Fissurina americana*
American Fissure Lichen
 - ___ *Fissurina columbina*
Columbian Fissure Lichen
 - ___ *Fissurina cypressi*
Cypress Fissure Lichen
 - ___ *Fissurina dumastii*
fissure lichen

Graphidaceae

- ___ *Fissurina illiterata*
fissure lichen
- ___ *Fissurina incrustans*
Crusted Fissure Lichen
- ___ *Fissurina insidiosa*
fissure lichen
- ___ *Fissurina leuconephela*
White Fissure Lichen
- ___ *Fissurina scolecitis*
fissure lichen
- ___ *Fissurina subnitidula*
fissure lichen
- ___ *Glyphis cicatricosa*
Blistered Script Lichen
- ___ *Glyphis scyphulifera*
Cupped Script Lichen
- ___ *Graphis brahmanensis*
Brahman Script Lichen
- ___ *Graphis chlorotica*
Lemon Script Lichen
- ___ *Graphis cincta*
script lichen
- ___ *Graphis crebra*
script lichen
- ___ *Graphis desquamescens*
script lichen
- ___ *Graphis duplicata*
Duplicated Script Lichen
- ___ *Graphis dussii*
Duss' Script Lichen
- ___ *Graphis elegans*
Elegant Script Lichen
- ___ *Graphis endoxantha*
Fluted Script Lichen
- ___ *Graphis furcata*
Forked Script Lichen
- ___ *Graphis handelii*
Handel's Script Lichen
- ___ *Graphis intermedians*
Intermediate Script Lichen
- ___ *Graphis inversa*
Inverse Script Lichen
- ___ *Graphis leptoclada*
script lichen
- ___ *Graphis librata*
script lichen
- ___ *Graphis lineola*
Line Script Lichen
- ___ *Graphis lucifica*
Shining Script Lichen
- ___ *Graphis perstriatula*
script lichen
- ___ *Graphis pinicola*
Pine Script Lichen
- ___ *Graphis proserpens*
script lichen
- ___ *Graphis scripta*
Common Script Lichen
- ___ *Graphis tenella*
script lichen
- ___ *Graphis vittata*
script lichen
- ___ *Leiorreuma explicans*
a script lichen
- ___ *Leiorreuma patellulum*
a script lichen

Graphidaceae

- ___ *Leiorreuma sericeum*
a script lichen
- ___ *Leucodecton glaucescens*
Smooth Pore Lichen
- ___ *Leucodecton subcompunctum*
pore lichen
- ___ *Nadvornikia soreliata*
Nadvornik's Pale Dot Lichen
- ___ *Ocellularia africana*
African Volcano Lichen
- ___ *Ocellularia americana*
American Volcano Lichen
- ___ *Ocellularia praestans*
volcano lichen
- ___ *Ocellularia sanfordiana*
Sanford Volcano Lichen
- ___ *Phaeographis atromaculata*
brown-spored script lichen
- ___ *Phaeographis brasiliensis*
Brazil Brown-spored Script Lichen
- ___ *Phaeographis dendritica*
Dendritic brown-spored lichen
- ___ *Phaeographis erumpens*
Erumpent Brown-spored Script Lichen
- ___ *Phaeographis inusta*
Common Brown-spored Script Lichen
- ___ *Phaeographis lobata*
Lobed Phaeographis
- ___ *Phaeographis oricola*
Carolina Beach Dots
- ___ *Phaeographis punctiformis*
Spotted Brown-spored Script Lichen
- ___ *Pseudochapsa dilatata*
Dilated Barnacle Lichen
- ___ *Reimnitzia santensis*
Reimnitz' Lichen
- ___ *Rhabdodiscus granulatus*
Frosted Volcano Lichen
- ___ *Sanguinotrema wightii*
Wight's Bloody Pore Lichen
- ___ *Sarcographa tricola*
Warty Script Lichen
- ___ *Thalloloma cinnabarinum*
Cinnabar Script Lichen
- ___ *Thalloloma hypoleptum*
a script lichen
- ___ *Thelotrema adjectum*
barnacle lichen
- ___ *Thelotrema defectum*
Defected Barnacle Lichen
- ___ *Thelotrema lathraeum*
a barnacle lichen
- ___ *Thelotrema monospermum*
Single-spored Barnacle Lichen
- ___ *Thelotrema subtile*
barnacle lichen

Gyalectaceae - 3 taxa

- ___ *Gyalecta geoica*
Rock Dimple Lichen
- ___ *Gyalecta obesispora*
a dimple lichen
- ___ *Ramonia microspora*
Bark Stars

Haematommataceae - 6 taxa

- ___ *Haematomma accolens*
bloodspot lichen

Haematommataceae

- ___ *Haematomma fenziianum*
bloodspot lichen
- ___ *Haematomma flexuosum*
Flexuose Bloodspot Lichen
- ___ *Haematomma guyanense*
Guyana Bloodspot Lichen
- ___ *Haematomma ochroleucum*
Yellow Bloodspot Lichen
- ___ *Haematomma persoonii*
Persoon's Bloodspot Lichen

Harpidiaceae - 1 taxa

- ___ *Euopsis granatina*
Ground Beef Lichen

Helicogoniaceae - 1 taxa

- ___ *Gelatinopsis geoglossi*
a gel fungus

Herpotrichiellaceae - 1 taxa

- ___ *Capronia harrisiana*
Harris' Capronia

Hydnaceae - 6 taxa

- ___ *Burgella flavoparmeliae*
Green-shield Lichen Burgella
- ___ *Burgoa angulosa*
a lichenicolous fungus
- ___ *Multiclavula constans*
club mushroom fungus
- ___ *Multiclavula corynoides*
Club-wielding Crust Lichen
- ___ *Multiclavula mucida*
White Green-Algae Coral
- ___ *Multiclavula pogonati*
club mushroom fungus

Hygrophoraceae - 2 taxa

- ___ *Dictyonema thelephora*
a filamentous basidiolichen
- ___ *Lichenomphalia hudsoniana*
Hudsonian Mushroom Lichen

Hymeneliaceae - 3 taxa

- ___ *Ionaspis alba*
White Ionaspis
- ___ *Ionaspis lacustris*
Rusty Brook Lichen
- ___ *Tremolecia atrata*
Rusty Rock Lichen

Icmadophilaceae - 3 taxa

- ___ *Dibaeis absoluta*
Pink Dot Lichen
- ___ *Dibaeis baeomyces*
Pink Earth Lichen
- ___ *Icmadophila ericetorum*
Peppermint Drop Lichen

Lecanographaceae - 5 taxa

- ___ *Alyxoria varia*
Variable Scribble Lichen
- ___ *Plectocarpon cladoniae*
Cladonia Parasite
- ___ *Plectocarpon lichenum*
Lung Lichen Parasite
- ___ *Zwackhia bonplandii*
Bonpland's Scribble Lichen
- ___ *Zwackhia viridis*
Green Scribble Lichen

Lecanoraceae - 79 taxa

- ___ *Japewia tornensis*
Hidden Dot Lichen
- ___ *Japewiella dollypartoniana*
Dolly Parton Lichen

Lecanoraceae

- ___ *Japewiella tavaresiana*
Tavares' Dot Lichen
- ___ *Lecanora albella*
White Rim Lichen
- ___ *Lecanora albellula*
Wood-spot Rim Lichen
- ___ *Lecanora allophana*
Brown-eyed Rim Lichen
- ___ *Lecanora anakeestiicola*
Anakeesta Lichen
- ___ *Lecanora appalachensis*
Appalachian Rim Lichen
- ___ *Lecanora argentata*
rim lichen
- ___ *Lecanora argentea*
a rim lichen
- ___ *Lecanora argopholis*
Yellowish Beaded Rim Lichen
- ___ *Lecanora cadubriae*
rim lichen
- ___ *Lecanora caesiorubella*
Frosted Rim Lichen
- ___ *Lecanora caperatica*
a sorediate rim lichen
- ___ *Lecanora cenisia*
Smoky Rim Lichen
- ___ *Lecanora chlarotera*
Brown Rim Lichen
- ___ *Lecanora cinereofusca*
Beaded Rim Lichen
- ___ *Lecanora cupressi*
Cypress Rim Lichen
- ___ *Lecanora darlingiae*
Darling's Rim Lichen
- ___ *Lecanora epanora*
a soraliate rim lichen
- ___ *Lecanora expallens*
rim lichen
- ___ *Lecanora floridula*
Florida Rim Lichen
- ___ *Lecanora glabrata*
Beech Rim Lichen
- ___ *Lecanora glaucomodes*
Smooth Frosted Rim Lichen
- ___ *Lecanora hybocarpa*
Bumpy Rim Lichen
- ___ *Lecanora hypoptoides*
rim lichen
- ___ *Lecanora impudens*
rim lichen
- ___ *Lecanora imshaugii*
Imshaug's Rim Lichen
- ___ *Lecanora insignis*
rim lichen
- ___ *Lecanora intricata*
Intricate Rim Lichen
- ___ *Lecanora layana*
Lay's Rim Lichen
- ___ *Lecanora louisianae*
Louisiana Rim Lichen
- ___ *Lecanora masana*
Masa's Dots
- ___ *Lecanora miculata*
Blue-eyed Rim Lichen
- ___ *Lecanora minutella*
Minute Rim Lichen

Lecanoraceae

- ___ *Lecanora nothocaesiella*
False Dust Lichen
- ___ *Lecanora oreinoides*
Sunken Rim Lichen
- ___ *Lecanora orosthea*
a rim lichen
- ___ *Lecanora plumosa*
Plumose Rim Lichen
- ___ *Lecanora polytropa*
Granite Speck Rim Lichen
- ___ *Lecanora protervula*
Eastern Frosted Rim Lichen
- ___ *Lecanora pseudistera*
False Abrasion Rim Lichen
- ___ *Lecanora pulicaris*
Common Rim Lichen
- ___ *Lecanora rugosella*
Rugose Rim Lichen
- ___ *Lecanora sachsiana*
Sachs' Rim Lichen
- ___ *Lecanora saxigena*
Appalachian Rock Rim Lichen
- ___ *Lecanora stramineoalbida*
St. Vincent Rim Lichen
- ___ *Lecanora subimmersens*
Subimmersed Rim Lichen
- ___ *Lecanora subrugosa*
Subrugose Rim Lichen
- ___ *Lecanora symmicta*
Fused Rim Lichen
- ___ *Lecanora thysanophora*
Mapledust Lichen
- ___ *Lecanora varia*
Greenish-yellow Rim Lichen
- ___ *Lecanora wisconsinensis*
Wisconsin Rim Lichen
- ___ *Lecidella achristotera*
a disk lichen
- ___ *Lecidella carpathica*
Carpathian Disk Lichen
- ___ *Lecidella elaeochroma*
Tree Disk Lichen
- ___ *Lecidella enteroleucella*
a disk lichen
- ___ *Lecidella euphorea*
Bark Disk Lichen
- ___ *Lecidella stigmata*
Limestone Disk Lichen
- ___ *Lecidella viridans*
Green Disk Lichen
- ___ *Miriquidica leucophaea*
White-brown miriquidica lichen
- ___ *Miriquidica lulensis*
a miriquidica lichen
- ___ *Miriquidica pycnocarpa*
a miriquidica lichen
- ___ *Myriolecis albescens*
White Rim Lichen
- ___ *Myriolecis dispersa*
Mortar Rim Lichen
- ___ *Myriolecis hagenii*
Hagen's Rim Lichen
- ___ *Myriolecis semipallida*
Semipallid Rim Lichen
- ___ *Palicella filamentosa*
Filamentous Palice's Lichen

Lecanoraceae

- ___ *Protoparmeliopsis muralis*
Stonewall Rim Lichen
- ___ *Protoparmeliopsis peltata*
Peltate Rimmed Navel Lichen
- ___ *Rhizoplaca subdiscrepans*
Scattered Rock Posy
- ___ *Vainionora americana*
American Speck Lichen
- ___ *Xanthosyne granularis*
Granular Dot Lichen
- ___ *Xanthosyne sharnoffiorum*
Sharnoff's Dot Lichen
- ___ *Xanthosyne varians*
Variegated Dot Lichen
- ___ *Xanthosyne varians subsp. obscura*
- ___ *Xanthosyne varians subsp. submorsei*
- ___ *Xanthosyne varians subsp. subtilis*
- ___ *Zeora strobilina*
Mealy Rim Lichen

Lecideaceae - 29 taxa

- ___ *Bryobilimbia ahlesii*
Ahles' Dot Lichen
- ___ *Bryobilimbia hypnorum*
Mossy Dot Lichen
- ___ *Bryobilimbia sanguineoatra*
Blood-black Dot Lichen
- ___ *Clauzadea monticola*
Clauzade's Mountain Disc Lichen
- ___ *Immersaria athroocarpa*
Brown Puzzle Lichen
- ___ *Lecidea atrobrunnea*
Brown Tile Lichen
- ___ *Lecidea berengeriana*
Berenger's Dot Lichen
- ___ *Lecidea cyrtidia*
a tile lichen
- ___ *Lecidea fuscoatra*
Dark Brown Disc Lichen
- ___ *Lecidea leprarioides*
Dust-like Disc Lichen
- ___ *Lecidea microps*
disc lichen
- ___ *Lecidea micyntho*
disc lichen
- ___ *Lecidea nylanderii*
Nylander's Tile Lichen
- ___ *Lecidea plebeja*
Common Disc Lichen
- ___ *Lecidea roseotincta*
Rose-tinted Disc Lichen
- ___ *Lecidea tessellata*
Mosaic Tile Lichen
- ___ *Lecidea turgidula*
Bloated Disc Lichen
- ___ *Porpidia albocaerulescens*
Smoky-eyed Boulder Lichen
- ___ *Porpidia cinereoatra*
Dark Gray Boulder Lichen
- ___ *Porpidia contraponenda*
Winter's Remembrance Boulder Lichen
- ___ *Porpidia crustulata*
Concentric Boulder Lichen
- ___ *Porpidia degelii*
Degelius' Boulder Lichen
- ___ *Porpidia macrocarpa*
Big-fruited Boulder Lichen

Lecideaceae

- ___ *Porpidia nigrocruenta*
Bloody-black Boulder Lichen
- ___ *Porpidia soredizodes*
Sorediate Boulder Lichen
- ___ *Porpidia speirea*
boulder lichen
- ___ *Porpidia subsimplex*
boulder lichen
- ___ *Porpidia tuberculosa*
Tuberclad Boulder Lichen
- ___ *Xanthosyne varians subsp. exigua*
a disk lichen

Leprocaulaceae - 5 taxa

- ___ *Halecania pepegospora*
a dot lichen
- ___ *Halecania rheophila*
a dot lichen
- ___ *Leprocaulon adhaerens*
Sticky Dust Lichen
- ___ *Leprocaulon beechingii*
Beeching's Dust Lichen
- ___ *Leprocaulon nicholsiae*
Becky's Dust Lichen

Lichenocniaceae - 9 taxa

- ___ **Abrothallus hypotrachynae*
Loop Lichen Fungus
- ___ **Abrothallus microspermus*
Small-spored Lichen Fungus
- ___ **Abrothallus parmeliarum*
Shield Lichen Fungus
- ___ **Abrothallus parmotrematis*
Ruffle Lichen Fungus
- ___ **Abrothallus pezizicola*
- ___ **Abrothallus usneae*
Beard Lichen Fungus
- ___ **Lichenocnium cargillianum*
Cargill Lichen Fungus
- ___ **Lichenocnium erodens*
a lichenicolous fungus
- ___ **Lichenocnium lecanorae*
Rim Lichen Fungus

Lichenotheliaceae - 5 taxa

- ___ **Endococcus propinquus*
a lichenicolous fungus
- ___ **Endococcus ramalinarius*
Strap Lichen Fungus
- ___ **Endococcus rugulosus*
a lichenicolous fungus
- ___ **Endococcus verrucisporus*
Bumpy-spored Endococcus
- ___ *Lichenothelia*
a rock-inhabiting fungus; a borderline lichen

Lichinaceae - 16 taxa

- ___ *Allopyrenis grumulifera*
a pyrenopsis lichen
- ___ *Allopyrenis phaecococca*
Brown-beaded Pyrenopsis Lichen
- ___ *Collemopsis schaeereri*
Schaeerer's Psorotichia Lichen
- ___ *Metamelanea melambola*
Black Tar Lichen
- ___ *Pterygiopsis (Forssellia) sp.*
Black Stream Rosette Lichen
- ___ *Pterygiopsis cava*
Hollow Microcyanolichen
- ___ *Pyrenocarpon flotowianum*
Fish-eye River Lichen

Lichinaceae

- ___ *Pyrenopsis furfurea*
a pyrenopsis lichen
- ___ *Pyrenopsis polycocca*
Beaded Pyrenopsis Lichen
- ___ *Pyrenopsis portoricensis*
Puerto Rican Pyrenopsis Lichen
- ___ *Pyrenopsis subareolata*
Subareolate Pyrenopsis Lichen
- ___ *Pyrenopsis subfuliginea*
a pyrenopsis lichen
- ___ *Synalissa ramulosa*
Eyed Rockgorgon Lichen
- ___ *Thelignya lacustris*
Lakeside Cyanocrust
- ___ *Thelignya neglecta*
River Crust Lichen
- ___ *Thermutis velutina*
Rockvelvet Lichen

Lopadiaceae - 2 taxa

- ___ *Lopadium disciforme*
Urn Disk Lichen
- ___ *Lopadium pezizoideum*
Moss Urn Lichen

Malmideaceae - 1 taxa

- ___ ^*Cheiomycina flabelliformis*
a chirosporous anamorphic fungus

Megalosporaceae - 2 taxa

- ___ *Megalospora pachycheila*
- ___ *Megalospora porphyritis*
a megalospora lichen

Megasporaceae - 7 taxa

- ___ *Aspicilia cinerea*
Cinder Lichen
- ___ *Aspicilia laevata*
sunken disk lichen
- ___ *Aspicilia olivaceopallida*
Pale Olive Sunken Disk Lichen
- ___ *Aspicilia verrucigera*
Warty Sunken Disk Lichen
- ___ *Circinaria caesiocinerea*
sunken disk lichen
- ___ *Circinaria gibbosa*
Gibbous Sunken Disk Lichen
- ___ *Megasporea verrucosa*
Common Cement Lichen

Melaspileaceae - 4 taxa

- ___ **Melanographa tribulodes*
Pox Lichen Fungus
- ___ **Melaspilea cupularis*
a lichenicolous fungus
- ___ *Melaspilea demissa*
Little Brown Script
- ___ *Melaspilea gemella*
a melaspilea lichen

Melaspileellaceae - 1 taxa

- ___ ^*Melaspileella proximella*
a melaspileella fungus

Microcaliciaceae - 1 taxa

- ___ #*Microcalicium ahlneri*
a microcalicium fungus

Monoblastiaceae - 12 taxa

- ___ *Acrocordia gemmata*
Budding Acrocordia
- ___ *Acrocordia megalospora*
a pyrenolichen
- ___ *Anisomeridium anisolobum*
a pyrenolichen

Monoblastiaceae

- ___ *Anisomeridium biforme*
a pyrenolichen
- ___ *Anisomeridium biformoides*
a pyrenolichen
- ___ *Anisomeridium carinthiacum*
Streamside Punch Lichen
- ___ *Anisomeridium distans*
a pyrenolichen
- ___ *Anisomeridium leucochlorum*
a pyrenolichen
- ___ *Anisomeridium polypori*
Many-pored Punch Lichen
- ___ *Anisomeridium subprostans*
a pyrenolichen
- ___ *Monoblastia borinquensis*
Puerto Rican Monoblastia Lichen
- ___ *Monoblastia rappii*
Rapp's Monoblastia Lichen

Mycocaliciaceae - 29 taxa

- ___ ^*Chaenothecopsis amurensis*
Amur Stubble Fungus
- ___ **Chaenothecopsis brevipes*
Short Stubble Fungus
- ___ ^*Chaenothecopsis debilis*
King Pin
- ___ ^*Chaenothecopsis dolichocephala*
stubble fungus
- ___ ^*Chaenothecopsis edbergii*
Edberg's Stubble Fungus
- ___ **Chaenothecopsis kalbii*
Kalb's Stubble Fungus
- ___ ^*Chaenothecopsis nana*
stubble fungus
- ___ *Chaenothecopsis nigra*
Black Stubble Fungus
- ___ *Chaenothecopsis norstictica*
stubble fungus
- ___ #*Chaenothecopsis pusilla*
stubble fungus
- ___ *Chaenothecopsis pusiola*
Algal Stubble Fungus
- ___ ^*Chaenothecopsis rappii*
Rapp's Stubble Fungus
- ___ ^*Chaenothecopsis resinicola*
Resin Stubble Fungus
- ___ *Chaenothecopsis rubescens*
Ruby Stubble Fungus
- ___ ^*Chaenothecopsis savonica*
Savonia Stubble Fungus
- ___ ^*Chaenothecopsis vainioana*
Vainio's Stubble Fungus
- ___ *Mycocalicium albonigrum*
stubble fungus
- ___ ^*Mycocalicium americanum*
American Stubble Fungus
- ___ ^*Mycocalicium fuscipes*
Brown Stubble Fungus
- ___ *Mycocalicium subtile*
Snag Stubble Fungus
- ___ *Phaeocalicium atenitikon*
walnut fairy pin
- ___ ^*Phaeocalicium compressulum*
Compressed Stubble Fungus
- ___ ^*Phaeocalicium curtisii*
Curtis' Stubble Fungus
- ___ ^*Phaeocalicium flabelliforme*
a stubble fungus

Mycocaliciaceae

- *Phaeocalicium polyporaenum*
Polypore Stubble Fungus
- *Sphinctrina anglica*
New England Sphinctrina Fungus
- *Sphinctrina leucopoda*
a stubble fungus
- *Sphinctrina tubaeformis*
Wart Lichen Stubble Fungus
- *Sphinctrina turbinata*
Wart Lichen Stubble Fungus

Mycoporaceae - 8 taxa

- *Mycoporum acervatum*
Small-heaped Mycoporum
- *Mycoporum antecellens*
a mycoporum lichen
- *Mycoporum biseptatum*
Forney Flecks
- *Mycoporum californicum*
California Mycoporum
- *Mycoporum compositum*
Composite Perithecial Lichen
- *Mycoporum eschweileri*
Eschweiler's Mycoporum
- *Mycoporum lacteum*
Milky Mycoporum
- *Mycoporum pycnocarpoides*
a mycoporum fungus

Mycosphaerellaceae - 9 taxa

- *Sphaerellothecium cinerascens*
a lichenicolous fungus
- *Sphaerellothecium coniodes*
Baeomyces Fungus
- *Sphaerellothecium parmeliae*
Parmelia Fungus
- *Stigmatidium eucline*
a lichenicolous fungus
- *Stigmatidium fuscatae*
Brown Acarospora Fungus
- *Stigmatidium lendemeri*
Lendemmer's Aspicilia Fungus
- *Stigmatidium mycobilimbiae*
- *Stigmatidium parmotrematis*
- *Stigmatidium parvum*
Rock Shag Lichen Fungus

Mytiliniaceae - 2 taxa

- *Taeniolella delicata*
Delicate Lichen Fungus
- *Taeniolella pertusariicola*
a wart lichen fungus

Naetrocymbaceae - 6 taxa

- *Leptorhaphis contorta*
Contorted Birchbark Dot Lichen
- *Leptorhaphis epidermidis*
Epidermal Birchbark Dot Lichen
- *Leptorhaphis parameca*
a birchbark dot lichen
- *Naetrocymbe punctiformis*
a dot fungus
- *Naetrocymbe saxicola*
Rock Dot Lichen
- *Tomasellia americana*

Niessliaceae - 1 taxa

- *Trichosphaerella buckii*
Buck's Trichosphaerella

Ochrolechiaceae - 21 taxa

- *Lepra amara*
Bitter Wart Lichen

Ochrolechiaceae

- *Lepra andersoniae*
Glady's Mountain Spikes
- *Lepra commutata*
a powdered wart lichen
- *Lepra excludens*
a fluff-wart lichen
- *Lepra hypothammolica*
a fluff-wart lichen
- *Lepra multipunctoides*
Dotted Fluff-wart Lichen
- *Lepra oahuensis*
Oahu Fluffy Dust Lichen
- *Lepra ophthalmiza*
Ragged Wart Lichen
- *Lepra pustulata*
Pustule Crust Lichen
- *Lepra trachythallina*
Powdered Wart Lichen
- *Lepra waghornei*
Waghorne's Fluff-wart Lichen
- *Ochrolechia africana*
Frosted Saucer Lichen
- *Ochrolechia arborea*
Tree Saucer Lichen
- *Ochrolechia mahuensis*
Mahlu Ochrolechia
- *Ochrolechia mexicana*
Mexican Saucer Lichen
- *Ochrolechia pseudopallescens*
False Pallid Saucer Lichen
- *Ochrolechia tartarea*
Tartar Saucer Lichen
- *Ochrolechia trochophora*
Rosy Saucer Lichen
- *Ochrolechia trochophora* var. *pruiniosella*
Pruinose Rosy Saucer Lichen
- *Ochrolechia yasudae*
Coral Saucer Lichen
- *Varicellaria velata*
Rimmed Wart Lichen

Opegraphaceae - 6 taxa

- *Nyungwea anguinella*
Brown Scribble Lichen
- *Opegrapha anomea*
Aggregated Scribble Fungus
- *Opegrapha astraea*
Star Scribble Lichen
- *Opegrapha melanospila*
a scribble fungus
- *Opegrapha moroziana*
Moroz' Scribble Lichen
- *Opegrapha vulgata*
Olive Scribble Lichen

Ophioparmaceae - 1 taxa

- *Hypocenomyce scalaris*
Oyster Lichen

Pannariaceae - 22 taxa

- *Erioderma mollissimum*
Vole Ears
- *Fuscopannaria ahlneri*
Ahlner's Shingle Lichen
- *Fuscopannaria frullaniae*
Frullania Granular Lichen
- *Fuscopannaria leucosticta*
White-rimmed Shingle Lichen
- *Fuscopannaria leucostictoides*
Petald Shingles Lichen

Pannariaceae

- ___ *Fuscopannaria soredata*
Granular Shingle Lichen
- ___ *Leioderma cherokeense*
Cherokee Lichen
- ___ *Leptogidium dendriscum*
Inland Woolly Bear Lichen
- ___ *Pannaria conoplea*
Mealy-rimmed Shingle Lichen
- ___ *Pannaria lurida*
Wrinkled Shingle Lichen
- ___ *Pannaria lurida subsp. quercicola*
matted lichen
- ___ *Pannaria lurida subsp. russellii*
Russell's Matted Lichen
- ___ *Pannaria subfusca*
matted lichen
- ___ *Pannaria subrubiginosa*
Brown-eyed Shingle Lichen
- ___ *Pannaria tavaresii*
Tavares' Matted Lichen
- ___ *Parmeliella appalachensis*
Appalachian Shingle Lichen
- ___ *Parmeliella corallinoides*
Coral Shingle Lichen
- ___ *Parmeliella pannosa*
a shingle lichen
- ___ *Parmeliella triptophylla*
Black-bordered Shingle Lichen
- ___ *Psoroma hypnorum*
Green Moss-shingle Lichen
- ___ *Rockfellera crossophylla*
Old Gray Crosslobes
- ___ *Staurolemma carolinianum*
Carolina Jelly Lichen

Parmeliaceae - 230 taxa

- ___ *Ahtiana aurescens*
Eastern Candlewax Lichen
- ___ *Alectoria fallacina*
Bubbling Witches Hair
- ___ *Alectoria sarmentosa*
Common Witch's Hair
- ___ *Anzia americana*
American Black Foam Lichen
- ___ *Anzia colpodes*
Black Fringe Foam Lichen
- ___ *Anzia ornata*
Ornate Foam Lichen
- ___ *Arctoparmelia incurva*
Finger Ring Lichen
- ___ *Bryoria americana*
American Horsehair Lichen
- ___ *Bryoria bicolor*
Electric Horsehair Lichen
- ___ *Bryoria furcellata*
Burred Horsehair Lichen
- ___ *Bryoria fuscescens*
Pale-Footed Horsehair Lichen
- ___ *Bryoria nadvornikiana*
Spiny Gray Horsehair Lichen
- ___ *Bryoria nitidula*
Tundra Horsehair Lichen
- ___ *Bryoria tenuis*
Pied Horsehair Lichen
- ___ *Bryoria trichodes*
Inelegant Horsehair Lichen
- ___ *Bulbothrix confoederata*
Smooth Eyelash Lichen

Parmeliaceae

- ___ *Bulbothrix isidiza*
Isidiate Eyelash Lichen
- ___ *Bulbothrix laevigatula*
Matted Eyelash Lichen
- ___ *Bulbothrix scortella*
an eyelash lichen
- ___ *Canoparmelia alabamensis*
Alabama Shield Lichen
- ___ *Canoparmelia caroliniana*
Carolina Shield Lichen
- ___ *Canoparmelia cryptochlorophaea*
Powdered Cloud Lichen
- ___ *Canoparmelia texana*
Texas Shield Lichen
- ___ *Cetraria aculeata*
Spiny Shield Lichen
- ___ *Cetraria arenaria*
Sand-loving Iceland Lichen
- ___ *Cetraria islandica*
Iceland Moss
- ___ *Cetraria laevigata*
Striped Iceland Lichen
- ___ *Cetrelia cetrarioides*
Downside Sea-storm Lichen
- ___ *Cetrelia chicitae*
Chicita's Sea-storm Lichen
- ___ *Cetrelia monachorum*
Monastic Seastorm Lichen
- ___ *Cetrelia olivetorum*
Olive Sea-storm Lichen
- ___ *Crespoa crozalsiana*
De Crozals' Shield Lichen
- ___ *Dolichousnea longissima*
Old Man's Beard
- ___ *Flavoparmelia baltimorensis*
Rock Greenshield Lichen
- ___ *Flavoparmelia caperata*
Common Greenshield Lichen
- ___ *Flavopunctelia flaventior*
Speckled Greenshield Lichen
- ___ *Hypogymnia enteromorpha*
Budding Tube Lichen
- ___ *Hypogymnia incurvoides*
Lattice Tube Lichen
- ___ *Hypogymnia krogiae*
Freckled Tube Lichen
- ___ *Hypogymnia physodes*
Monk's Hood Lichen
- ___ *Hypogymnia tubulosa*
Powder-headed Tube Lichen
- ___ *Hypogymnia vittata*
Brownish Monk's-Hood Lichen
- ___ *Hypotrachyna afrorevoluta*
Pustulate Revolute Loop Lichen
- ___ *Hypotrachyna appalachensis*
Appalachian Loop Lichen
- ___ *Hypotrachyna britannica*
British Loop Lichen
- ___ *Hypotrachyna catawbiensis*
Powder-tipped Antler Lichen
- ___ *Hypotrachyna croceopustulata*
Yellow-cored Loop Lichen
- ___ *Hypotrachyna cryptochlora*
loop lichen
- ___ *Hypotrachyna densirhizinata*
loop lichen

Parmeliaceae

- ___ *Hypotrachyna dentella*
loop lichen
- ___ *Hypotrachyna gondylophora*
loop lichen
- ___ *Hypotrachyna horrescens*
Hairy-spined Shield Lichen
- ___ *Hypotrachyna imbricatula*
loop lichen
- ___ *Hypotrachyna kauffmaniana*
Kauffman's Loop Lichen
- ___ *Hypotrachyna laevigata*
loop lichen
- ___ *Hypotrachyna livida*
Wrinkled Loop Lichen
- ___ *Hypotrachyna lividescens*
loop lichen
- ___ *Hypotrachyna mcmulliniana*
McMullin's Loop Lichen
- ___ *Hypotrachyna minarum*
Hairless-spined Shield Lichen
- ___ *Hypotrachyna oostingii*
Oosting's Loop Lichen
- ___ *Hypotrachyna oprah*
Oprah's Sunshine Lichen
- ___ *Hypotrachyna osseoalba*
Grainy Loop Lichen
- ___ *Hypotrachyna prolongata*
loop lichen
- ___ *Hypotrachyna pseudosinuosa*
loop lichen
- ___ *Hypotrachyna pustulifera*
Pustule Loop Lichen
- ___ *Hypotrachyna revoluta*
loop lichen
- ___ *Hypotrachyna rockii*
loop lichen
- ___ *Hypotrachyna showmanii*
Showman's Loop Lichen
- ___ *Hypotrachyna sinuosa*
Green Loop Lichen
- ___ *Hypotrachyna spumosa*
Pustuled Shield Lichen
- ___ *Hypotrachyna taylorensis*
Taylor's Loop Lichen
- ___ *Hypotrachyna thysanota*
loop lichen
- ___ *Hypotrachyna virginica*
Virginia Loop Lichen
- ___ *Imshaugia aleurites*
Salted Starburst Lichen
- ___ *Imshaugia placorodia*
American Starburst Lichen
- ___ *Melanelia hepatizon*
Rimmed Camouflage Lichen
- ___ *Melanelia stygia*
Alpine Camouflage Lichen
- ___ *Melanelixia glabratula*
Warm Fenestrations Lichen
- ___ *Melanelixia subargentifera*
Whiskered Camouflage Lichen
- ___ *Melanelixia subaurifera*
Abraded Camouflage Lichen
- ___ *Melanohalea exasperata*
Warty Camouflage Lichen
- ___ *Melanohalea exasperatula*
Lustrous Camouflage Lichen

Parmeliaceae

- ___ *Melanohalea halei*
Appalachian Tree Camouflage Lichen
- ___ *Melanohalea olivacea*
Spotted Camouflage Lichen
- ___ *Melanohalea septentrionalis*
Northern Camouflage Lichen
- ___ *Menegazzia subsimilis*
Tree Flute Lichen
- ___ *Menegazzia terebrata*
Port-hole Lichen
- ___ *Montanelia disjuncta*
Mealy Camouflage Lichen
- ___ *Montanelia panniformis*
Shingled Camouflage Lichen
- ___ *Myelochroa aurulenta*
Powdery Axil-bristle Lichen
- ___ *Myelochroa galbina*
Smooth Axil-bristle Lichen
- ___ *Myelochroa metarevoluta*
Japanese Axil-bristle Lichen
- ___ *Myelochroa obsessa*
Rock Axil-bristle Lichen
- ___ *Neoprotoparmelia amerisidiata*
American Isidiate Neoprotoparmelia
- ___ *Nephromopsis culbersonii*
Appalachian Camouflage Lichen
- ___ **Nesolechia oxyspora*
Punctelia Fungus
- ___ *Parmelia neodiscordans*
Appalachian Shield Lichen
- ___ *Parmelia omphalodes*
Smoky Shield Lichen
- ___ *Parmelia saxatilis*
Salted Shield Lichen
- ___ *Parmelia squarrosa*
Bottlebrush Shield Lichen
- ___ *Parmelia sulcata*
Hammered Shield Lichen
- ___ *Parmelina coleae*
Fringed Shield Lichen
- ___ *Parmelina tiliacea*
Linden Shield Lichen
- ___ *Parmelinella amazonica*
Amazon Shield Lichen
- ___ *Parmeliopsis ambigua*
Green Starburst Lichen
- ___ *Parmeliopsis hyperopta*
Gray Starburst Lichen
- ___ *Parmeliopsis subambigua*
Southern Starburst Lichen
- ___ *Parmotrema arnoldii*
Arnold's Ruffle Lichen
- ___ *Parmotrema austrosinense*
Unwhiskered Ruffle Lichen
- ___ *Parmotrema cetratum*
ruffle lichen
- ___ *Parmotrema commensuratum*
Commensurate Ruffle Lichen
- ___ *Parmotrema conferendum*
ruffle lichen
- ___ *Parmotrema crinitum*
Salted Ruffle Lichen
- ___ *Parmotrema cristiferum*
Unwhiskered Ruffle Lichen
- ___ *Parmotrema diffractaicum*
ruffle lichen

Parmeliaceae

- ___ *Parmotrema dilatatum*
Cracked Ruffle Lichen
- ___ *Parmotrema dominicanum*
Dominican Ruffle Lichen
- ___ *Parmotrema endosulphureum*
Yellow-cored Ruffle Lichen
- ___ *Parmotrema eurysacum*
a ruffle lichen
- ___ *Parmotrema gardneri*
Gardner's Ruffle Lichen
- ___ *Parmotrema haitiense*
Haitian Ruffle Lichen
- ___ *Parmotrema hypoleucinum*
White Belly Ruffle Lichen
- ___ *Parmotrema hypotropum*
Powdered Ruffle Lichen
- ___ *Parmotrema internexum*
ruffle lichen
- ___ *Parmotrema louisianae*
Louisiana Ruffle Lichen
- ___ *Parmotrema margaritatum*
ruffle lichen
- ___ *Parmotrema mellissii*
Melliss' Ruffle Lichen
- ___ *Parmotrema neotropicum*
Neotropical Ruffle Lichen
- ___ *Parmotrema perforatum*
Perforated Ruffle Lichen
- ___ *Parmotrema perlatum*
Powdered Ruffle Lichen
- ___ *Parmotrema praesorediosum*
Powder-crowned Ruffle Lichen
- ___ *Parmotrema rampoddense*
Long-whiskered Ruffle Lichen
- ___ *Parmotrema reticulatum*
Reticulated Ruffle Lichen
- ___ *Parmotrema simulans*
ruffle lichen
- ___ *Parmotrema stuppeum*
Powder-Edged Ruffle Lichen
- ___ *Parmotrema subsidiosum*
Salted Ruffle Lichen
- ___ *Parmotrema submarginale*
Unperforated Ruffle Lichen
- ___ *Parmotrema subrigidum*
Coastal Perforated Ruffle Lichen
- ___ *Parmotrema subsumptum*
ruffle lichen
- ___ *Parmotrema subtinctorium*
Mottled Ruffle Lichen
- ___ *Parmotrema tinctorum*
Palm Ruffle Lichen
- ___ *Parmotrema ultralucens*
Spotted Ruffle Lichen
- ___ *Parmotrema xanthinum*
Yellow Ruffle Lichen
- ___ **Phacopsis thallicola*
a lichenicolous fungus
- ___ *Platismatia glauca*
Varied Rag Lichen
- ___ *Platismatia lacunosa*
Crinkled Rag Lichen
- ___ *Platismatia tuckermanii*
Crumpled Rag Lichen
- ___ *Protoparmelia badia*
Chocolate Rim Lichen

Parmeliaceae

- ___ *Protoparmelia hypotremella*
a sterile rim lichen
- ___ *Pseudevernia cladonia*
Ghost Antler Lichen
- ___ *Pseudevernia consocians*
Common Antler Lichen
- ___ *Pseudoparmelia uleana*
Common Lemon-Lime Lichen
- ___ *Punctelia appalachensis*
Appalachian Speckled Shield Lichen
- ___ *Punctelia bolliana*
Eastern Speckled Shield Lichen
- ___ *Punctelia borrieri*
speckled shield lichen
- ___ *Punctelia caseana*
Case's Speckled Shield Lichen
- ___ *Punctelia graminicola*
a speckled shield lichen
- ___ *Punctelia missouriensis*
Missouri Speckled Shield Lichen
- ___ *Punctelia perreticulata*
Powdered Speckleback Lichen
- ___ *Punctelia reddenda*
Scottish Speckled Shield Lichen
- ___ *Punctelia rudecta*
Rough Speckled Shield Lichen
- ___ *Remototrachyna consimilis*
a loop lichen
- ___ *Tuckermanella fendleri*
Dwarf Wrinkle Lichen
- ___ *Tuckermannopsis americana*
Fringed Wrinkle Lichen
- ___ *Tuckermannopsis ciliaris*
Fringed Wrinkle Lichen
- ___ *Tuckermannopsis orbata*
Variable Wrinkle Lichen
- ___ *Usnea amblyoclada*
Rock Beard Lichen
- ___ *Usnea angulata*
Old Man's Beard
- ___ *Usnea baileyi*
Hollow Beard Lichen
- ___ *Usnea brasiliensis*
Brazil Beard Lichen
- ___ *Usnea cavernosa*
Pitted Beard Lichen
- ___ *Usnea ceratina*
Warty Beard Lichen
- ___ *Usnea chicitae*
Chicita's Beard Lichen
- ___ *Usnea cirrosa*
Sundew Beard Lichen
- ___ *Usnea cornuta*
Inflated Beard Lichen
- ___ *Usnea cristatula*
beard lichen
- ___ *Usnea dasaea*
beard lichen
- ___ *Usnea dasopoga*
Fishbone Beard Lichen
- ___ *Usnea dimorpha*
Powder-tipped Beard Lichen
- ___ *Usnea endochrysea*
Bushy Beard Lichen
- ___ *Usnea evansii*
Evans' Beard Lichen

Parmeliaceae

- ___ *Usnea florida*
Witches' Whiskers Lichen
- ___ *Usnea fragiliscens*
beard lichen
- ___ *Usnea fragilis*
Inner Violet Beard Lichen
- ___ *Usnea fulvovirens*
Yellowing Beard Lichen
- ___ *Usnea glabrata*
Lustrous Beard Lichen
- ___ *Usnea glabrescens*
Spotted Beard Lichen
- ___ *Usnea halei*
Hale's Beard Lichen
- ___ *Usnea hirta*
beard lichen
- ___ *Usnea intermedia*
Intermediate Beard Lichen
- ___ *Usnea merrillii*
Beaded Beard Lichen
- ___ *Usnea mexicana*
Mexican Beard Lichen
- ___ *Usnea mutabilis*
Bloody Beard Lichen
- ___ *Usnea occidentalis*
Western Beard Lichen
- ___ *Usnea perplexans*
Powdered Beard Lichen
- ___ *Usnea praetervisa*
Black-footed Beard Lichen
- ___ *Usnea quasirigida*
Rigid Beard Lichen
- ___ *Usnea rubicunda*
Red Beard Lichen
- ___ *Usnea schadenbergiana*
Silken Beard Lichen
- ___ *Usnea silesiaca*
Blackened Beard Lichen
- ___ *Usnea strigosa*
Bushy Beard Lichen
- ___ *Usnea strigosa subsp. major*
Big Bushy Beard Lichen
- ___ *Usnea strigosa subsp. rubiginea*
Ruby Bushy Beard Lichen
- ___ *Usnea subfloridana*
Nit Beard Lichen
- ___ *Usnea subfusca*
Bushy Beard Lichen
- ___ *Usnea subgracilis*
Silken Beard Lichen
- ___ *Usnea subrubicunda*
Bay of Fundy Beard Lichen
- ___ *Usnea subscabrosa*
Horny Beard Lichen
- ___ *Usnea trichodea*
Bony Beard Lichen
- ___ *Usnea tristis*
Bushy Beard Lichen
- ___ *Usnea wasmuthii*
beard lichen
- ___ *Usnocetraria oakesiana*
Yellow Ribbon Lichen
- ___ *Vulpicida canadensis*
Brown-eyed Sunshine Lichen
- ___ *Vulpicida juniperinus*
Juniper Sunshine Lichen

Parmeliaceae

- ___ *Vulpicida pinastris*
Powdered Sunshine Lichen
- ___ *Vulpicida viridis*
Hidden Sunshine Lichen
- ___ *Xanthoparmelia angustiphylla*
Meager Rock Shield Lichen
- ___ *Xanthoparmelia conspersa*
Peppered Rock Shield
- ___ *Xanthoparmelia cumberlandia*
Cumberland Rock-shield
- ___ *Xanthoparmelia hypofusca*
Lesser Rock Shield Lichen
- ___ *Xanthoparmelia hypomelaena*
Ozark Rock Shield Lichen
- ___ *Xanthoparmelia isidiascens*
Jumbled Rock Shield Lichen
- ___ *Xanthoparmelia isidiosa*
Isidiate Rock Shield Lichen
- ___ *Xanthoparmelia mexicana*
Mexican Rock-shield
- ___ *Xanthoparmelia monticola*
Mountain Rock-shield
- ___ *Xanthoparmelia piedmontensis*
Piedmont Rock-shield
- ___ *Xanthoparmelia plittii*
Plitt's Rock-shield
- ___ *Xanthoparmelia stenophylla*
Palomino Rock Shield Lichen
- ___ *Xanthoparmelia subramigera*
rock shield lichen
- ___ *Xanthoparmelia viriduloumbrina*
Shingled Rock Shield Lichen

Peltigeraceae - 47 taxa

- ___ *Crocodia aurata*
Green Specklebelly Lichen
- ___ *Dendroscopaulon intricatum*
Olive-thorn Lichen
- ___ *Dendroscopicta wrightii*
Greater Green Moon Lichen
- ___ *Emmanuelia ravenelii*
Ravenel's Lungwort
- ___ *Lobaria pulmonaria*
Common Lungwort
- ___ *Lobarina scrobiculata*
Textured Lungwort
- ___ *Nephroma bellum*
Naked Kidney Lichen
- ___ *Nephroma helveticum*
Fringed Kidney Lichen
- ___ *Nephroma laevigatum*
Mustard Kidney Lichen
- ___ *Nephroma parile*
Powdery Kidney Lichen
- ___ *Nephroma resupinatum*
Pimpled Kidney Lichen
- ___ *Peltigera aphthosa*
Common Freckle Pelt
- ___ *Peltigera canina*
Dog Lichen
- ___ *Peltigera degenii*
Lustrous Pelt Lichen
- ___ *Peltigera didactyla*
Alternating Pelt Lichen
- ___ *Peltigera elisabethae*
Concentric Pelt Lichen
- ___ *Peltigera evansiana*
Peppered Pelt Lichen

Peltigeraceae

- ___ *Peltigera extenuata*
Sheepish Pelt Lichen
- ___ *Peltigera horizontalis*
Flat Fruit Pelt Lichen
- ___ *Peltigera hydrothyria*
Eastern Waterfan
- ___ *Peltigera hymenina*
Cloudy Pelt Lichen
- ___ *Peltigera lepidophora*
Scaly Pelt Lichen
- ___ *Peltigera leucophlebia*
Ruffled Freckle Pelt Lichen
- ___ *Peltigera monticola*
Mountain Pelt Lichen
- ___ *Peltigera neckeri*
Black-saddle Pelt Lichen
- ___ *Peltigera neopolydactyla*
Carpet Pelt Lichen
- ___ *Peltigera phyllidiosa*
Phyllidiose Pelt Lichen
- ___ *Peltigera polydactylon*
Many-fingered Pelt Lichen
- ___ *Peltigera ponjensis*
Pale-bellied Pelt Lichen
- ___ *Peltigera praetextata*
Scaly Dog Lichen
- ___ *Peltigera rufescens*
Rufous Pelt Lichen
- ___ *Peltigera scabrosa*
Greater Toad Pelt Lichen
- ___ *Peltigera seneca*
Seneca Pelt Lichen
- ___ *Pseudocyphellaria citrina*
Lemon Specklebelly Lichen
- ___ *Pseudocyphellaria deyi*
Dey's Specklebelly Lichen
- ___ *Pseudocyphellaria epiflavoides*
Yellow-tipped Specklebelly Lichen
- ___ *Pseudocyphellaria hawaiiensis*
Gilded Specklebelly Lichen
- ___ *Pseudocyphellaria holarctica*
Yellow Specklebelly Lichen
- ___ *Pseudocyphellaria punctata*
Dotted Specklebelly Lichen
- ___ *Ricasolia quercizans*
Smooth Lungwort
- ___ *Sticta beauvoisii*
Fingered Moon Lichen
- ___ *Sticta carolinensis*
Carolina Moon Lichen
- ___ *Sticta deyana*
Dey's Moon Lichen
- ___ *Sticta fragilinata*
Fragile Moon Lichen
- ___ *Sticta fuliginosa*
Peppered Moon Lichen
- ___ *Sticta limbata*
Powdered Moon Lichen
- ___ *Sticta sylvatica*
Forest Moon Lichen

Pertusariaceae - 27 taxa

- ___ *Pertusaria appalachensis*
Appalachian Wart Lichen
- ___ *Pertusaria consocians*
Cedar Wart Lichen
- ___ *Pertusaria epixantha*
Yellow-tipped Wart Lichen

Pertusariaceae

- ___ *Pertusaria globularis*
Ballhead Wart Lichen
- ___ *Pertusaria glomerata*
wart lichen
- ___ *Pertusaria iners*
Inert Wart Lichen
- ___ *Pertusaria leioplaca*
Ostrich Hide Lichen
- ___ *Pertusaria macounii*
Macoun's Wart Lichen
- ___ *Pertusaria neolecanina*
Mountain Branch-Wart
- ___ *Pertusaria neoscotica*
Nova Scotia Pore Lichen
- ___ *Pertusaria obruta*
Buried Wart Lichen
- ___ *Pertusaria ostiolata*
Pore Wart Lichen
- ___ *Pertusaria paratuberculifera*
Spotted Wart Lichen
- ___ *Pertusaria plittiana*
Rock Wart Lichen
- ___ *Pertusaria propinqua*
wart lichen
- ___ *Pertusaria pustulata*
Pustulate Wart Lichen
- ___ *Pertusaria rhexostoma*
wart lichen
- ___ *Pertusaria rubefacta*
wart lichen
- ___ *Pertusaria sinusmexicani*
Mexican Wart Lichen
- ___ *Pertusaria subpertusa*
Mesa Wart Lichen
- ___ *Pertusaria superiana*
Super's Wart Lichen
- ___ *Pertusaria tetrathalamia*
wart lichen
- ___ *Pertusaria texana*
Texas Wart Lichen
- ___ *Pertusaria valliculata*
a wart lichen
- ___ *Pertusaria virensica*
Virensic Wart Lichen
- ___ *Pertusaria xanthodes*
Volcano Wart Lichen
- ___ *Toensbergia geminipara*
Gemini Wart Lichen

Phaeococcomycetaceae - 4 taxa

- ___ **Etayoa trypethelii*
Trypethelium Fungus
- ___ **Lichenostigma cosmopolites*
Cosmopolitan Lichenostigma Fungus
- ___ **Lichenostigma fellhanerae*
Fellhanera Lichenostigma Fungus
- ___ **Lichenostigma maureri*
Maurer's Lichenostigma Fungus

Phaeosphaeriaceae - 3 taxa

- ___ **Didymocyrtis cladoniicola*
Cladonia Didymocyrtis Fungus
- ___ **Didymocyrtis melanelixiae*
Melanelixia Didymocyrtis Fungus
- ___ **Didymocyrtis ramalinae*
Ramalina Didymocyrtis Fungus

Phlyctidaceae - 4 taxa

- ___ *Phlyctis argena*
whitewash lichen

Phlyctidaceae

- ___ *Phlyctis boliviensis*
Bark Whitewash Lichen
- ___ *Phlyctis petraea*
Rock Whitewash Lichen
- ___ *Phlyctis speirea*
whitewash lichen

Phyllachoraceae - 2 taxa

- ___ **Lichenochora haematommatum*
Bloodspot Lichen Fungus
- ___ **Lichenochora obscuroides*
Obscure Lichenochora Fungus

Phyllisceaceae - 7 taxa

- ___ *Peccania kansana*
Kansas Jelly Scale Lichen
- ___ *Peltula cylindrica*
Cylindrical Rock Olive
- ___ *Peltula euploca*
Powdery Rock Olive
- ___ *Peltula tortuosa*
Twisted Rock Olive
- ___ *Peltula zahlbruckneri*
Zahlbruckner's Rock Olive

Phyllisceaceae - taxa

- ___ *Phylliscum demangeonii*
Black Rock-wafer Lichen

Phyllisceaceae

- ___ *Phylliscum granuliforme*
Granular Cryptothele Lichen

Physciaceae - 84 taxa

- ___ *Anaptychia crinalis*
Hanging Fringe Lichen
- ___ *Anaptychia palmulata*
Shaggy Fringe Lichen
- ___ *Heterodermia crocea*
Orange-bellied Fringe Lichen
- ___ *Heterodermia diademata*
Cupped Fringe Lichen
- ___ *Heterodermia echinata*
Flowering Fringe Lichen
- ___ *Heterodermia erecta*
Erect Centipede Lichen
- ___ *Heterodermia galactophylla*
Branching Fringe Lichen
- ___ *Heterodermia granulifera*
Granular Fringe Lichen
- ___ *Heterodermia langdoniana*
Langdon's Fringe Lichen
- ___ *Heterodermia obscurata*
Orange-bellied Fringe Lichen
- ___ *Heterodermia pseudospeciosa*
fringe lichen
- ___ *Heterodermia speciosa*
Powdered Fringe Lichen
- ___ *Heterodermia squamulosa*
Scaly Fringe Lichen
- ___ *Hyperphyscia adglutinata*
Grainy Shadow-Crust Lichen
- ___ *Hyperphyscia syncolla*
Smooth Shadow-crust Lichen
- ___ *Leucodermia appalachensis*
Appalachian Fringe Lichen
- ___ *Leucodermia leucomelos*
Elegant Fringe Lichen
- ___ *Phaeophyscia adiastrata*
Powder-tipped Shadow Lichen
- ___ *Phaeophyscia ciliata*
Smooth Shadow Lichen

Physciaceae

- ___ *Phaeophyscia endococcinodes*
Red-cored Starburst Shadow Lichen
- ___ *Phaeophyscia hirsuta*
Hairy Shadow Lichen
- ___ *Phaeophyscia hispidula*
Whiskered Shadow Lichen
- ___ *Phaeophyscia insignis*
shadow lichen
- ___ *Phaeophyscia orbicularis*
Mealy Shadow Lichen
- ___ *Phaeophyscia pusilloides*
Pom Pom Shadow Lichen
- ___ *Phaeophyscia rubropulchra*
Orange-cored Shadow Lichen
- ___ *Phaeophyscia squarrosa*
Scaly Shadow Lichen
- ___ *Physcia adscendens*
Hooded Rosette Lichen
- ___ *Physcia aipolia*
Hoary Rosette Lichen
- ___ *Physcia alnophila*
Outward-looking Rosette Lichen
- ___ *Physcia americana*
Powdery Rosette Lichen
- ___ *Physcia atrostriata*
Streaked Rosette Lichen
- ___ *Physcia caesia*
Blue-Gray Rosette Lichen
- ___ *Physcia clementei*
Clement's Rosette Lichen
- ___ *Physcia dubia*
Powder-tipped Rosette Lichen
- ___ *Physcia halei*
Granite Rosette Lichen
- ___ *Physcia millegrana*
Mealy Rosette Lichen
- ___ *Physcia neogaea*
Dwarf Rosette Lichen
- ___ *Physcia phaea*
Black-eyed Rosette Lichen
- ___ *Physcia pseudospeciosa*
Celebration Day Rosette Lichen
- ___ *Physcia pumilior*
Spotted Rosette Lichen
- ___ *Physcia solediosa*
Black-bottomed Rosette Lichen
- ___ *Physcia stellaris*
Star Rosette Lichen
- ___ *Physcia subtilis*
Slender Rosette Lichen
- ___ *Physcia thomsoniana*
Thomson's Rosette Lichen
- ___ *Physcia tribacia*
Beaded Rosette Lichen
- ___ *Physciella chloantha*
Cryptic Rosette Lichen
- ___ *Physconia americana*
American Frosted Lichen
- ___ *Physconia detersa*
Bottlebrush Frost Lichen
- ___ *Physconia enteroxantha*
Yellow-edged Frost Lichen
- ___ *Physconia leucoleiptes*
Bottle-brush Frost Lichen
- ___ *Polyblastidium albicans*
White Fringe Lichen

Physciaceae

- ___ *Polyblastidium casarettianum*
a fringe lichen
- ___ *Polyblastidium dendriticum*
Branching Fringe Lichen
- ___ *Polyblastidium hypoleucum*
Cupped Fringe Lichen
- ___ *Polyblastidium japonicum*
Japanese Fringe Lichen
- ___ *Polyblastidium neglectum*
Neglected Fringe Lichen
- ___ *Rinodina ascosciscana*
Scaly Pepper-spore Lichen
- ___ *Rinodina bischoffii*
Bischoff's Pepper-spored Lichen
- ___ *Rinodina brauniana*
Braun's Pepper-spored Lichen
- ___ *Rinodina brodoana*
Brodo's Pepper-spored Lichen
- ___ *Rinodina buckii*
Buck's Pepper-spored Lichen
- ___ *Rinodina bullata*
Bullate Pepper-spored Lichen
- ___ *Rinodina cana*
a pepper-spored lichen
- ___ *Rinodina chrysiidiata*
Golden Pepper-spored Lichen
- ___ *Rinodina chrysomelaena*
Lemon Pepper Pots
- ___ *Rinodina colobinoides*
Colombian Pepper-spored Lichen
- ___ *Rinodina dolichospora*
a pepper-spored lichen
- ___ *Rinodina efflorescens*
Greenish-brown Pepper-spore Lichen
- ___ *Rinodina excrescens*
a pepper-spored lichen
- ___ *Rinodina fimbriata*
Streamside Pepper-spored Lichen
- ___ *Rinodina granuligera*
a pepper-spored lichen
- ___ *Rinodina maculans*
a pepper-spored lichen
- ___ *Rinodina moziana*
a pepper-spored lichen
- ___ *Rinodina oxydata*
Acidic Pepper-spore Lichen
- ___ *Rinodina pachysperma*
a pepper-spored lichen
- ___ *Rinodina papillata*
Papillate Pepper-spore Lichen
- ___ *Rinodina pyrina*
a pepper-spored lichen
- ___ *Rinodina siouxiana*
Sioux Pepper-spored Lichen
- ___ *Rinodina subminuta*
Subminute Pepper-spore Lichen
- ___ *Rinodina subpariata*
Subpar Pepper-spore Lichen
- ___ *Rinodina tenuis*
Adirondack Pepper-spore Lichen
- ___ *Rinodina tephraspis*
a pepper-spored lichen
- ___ *Rinodina willeyi*
Willey's Pepper-spored Lichen

Pilocarpaceae - 36 taxa

- ___ *Byssoloma leucoblepharum*
a fuzzy rim lichen

Pilocarpaceae

- ___ *Byssoloma maderense*
Madeiran Fuzzy Rim Lichen
- ___ *Byssoloma marginatum*
a fuzzy rim lichen
- ___ *Byssoloma meadii*
Mead's Fuzzy Rim Lichen
- ___ *Byssoloma subdiscordans*
Rock Fussy Rim Lichen
- ___ *Calopadia puiggarii*
Puiggar's Leaf Dot Lichen
- ___ *Fellhanera bouteillei*
Boiteille's Fellhanera
- ___ *Fellhanera erinia*
Erin's Fellhanera
- ___ *Fellhanera fallax*
Deceptive Fellhanera
- ___ *Fellhanera granulosa*
Granular Fellhanera
- ___ *Fellhanera hybrida*
Piedmont Fellhanera
- ___ *Fellhanera montesfumosi*
Smoky Mountains Fellhanera
- ___ *Fellhanera subtilis*
Delicate Fellhanera
- ___ *Fellhaneropsis myrtillicola*
Myrtle Dot Lichen
- ___ *Leimonis erratica*
Erratic Dot Lichen
- ___ *Micarea anterior*
dot lichen
- ___ *Micarea byssacea*
a dot lichen
- ___ *Micarea chlorosticta*
dot lichen
- ___ *Micarea denigrata*
Denigrated Dot Lichen
- ___ *Micarea elachista*
a dot lichen
- ___ *Micarea endocyanea*
Inner Blue Dot Lichen
- ___ *Micarea globulosella*
Globular Dot Lichen
- ___ *Micarea leprosula*
Leprose Dot Lichen
- ___ *Micarea lignaria*
Wood Dot Lichen
- ___ *Micarea lithinella*
a dot lichen
- ___ *Micarea melaena*
a dot lichen
- ___ *Micarea micrococca*
Microdot Micarea Lichen
- ___ *Micarea misella*
a dot lichen
- ___ *Micarea neostipitata*
Stipitate Dot Lichen
- ___ *Micarea nigella*
a dot lichen
- ___ *Micarea peliocarpa*
Shadow Dot Lichen
- ___ *Micarea polycarpella*
Many-fruited Dot Lichen
- ___ *Micarea prasina*
Green Dot Lichen
- ___ *Micarea pycnidiophora*
Pycnidiate Dot Lichen

Pilocarpaceae

- ___ *Micarea soralifera*
Green Dust Lichen
- ___ *Schadonia saulskellyana*
Mary Sauls Kelly's Dots

Placynthiaceae - 2 taxa

- ___ *Placynthium flabellosum*
Scaly Ink Lichen
- ___ *Placynthium nigrum*
Blackthread Lichen

Polycoccaceae - 1 taxa

- ___ **Polycoccum minutulum*
Minute Trapelia Fungus

Porinaceae - 12 taxa

- ___ *Clathroporina isidiifera*
an isidiate pyrenolichen
- ___ *Porina heterospora*
Southeastern Pimple Lichen
- ___ *Porina scabrada*
Scabrid Pimple Lichen
- ___ *Pseudosagedia cestrensis*
Bark Bruise Lichen
- ___ *Pseudosagedia chlorotica*
Green Bruise Lichen
- ___ *Pseudosagedia guentheri*
Guenther's Bruise Lichen
- ___ *Pseudosagedia isidiata*
Isidiate Bruise Lichen
- ___ *Pseudosagedia raphidosperma*
Long-spored Bruise Lichen
- ___ *Segestria lectissima*
a pyrenolichen
- ___ *Segestria leptalea*
a pyrenolichen
- ___ *Trichothelium americanum*
American Trichothelium
- ___ *Trichothelium angustisporum*
Slender-spored Trichothelium

Porocyphaceae - 9 taxa

- ___ *Ephebe americana*
American Thread Lichen
- ___ *Ephebe hispidula*
Hispid Thread Lichen
- ___ *Ephebe lanata*
Waterside Rockshag Lichen
- ___ *Ephebe ocellata*
Spotted Thread Lichen
- ___ *Ephebe solida*
Solid Rockshag Lichen
- ___ *Heppia adglutinata*
Soil Ruby Lichen
- ___ *Heppia conchiloba*
Common Soil Ruby
- ___ *Heppia lutosa*
Pale Soil Ruby
- ___ *Porocyphus willeyi*
Willey's Seaweed Lichen

Protothelenellaceae - 1 taxa

- ___ *Protothelenella corrossa*
a pyrenolichen

Pseudoperisporiaceae - 1 taxa

- ___ **Myxophora leptogiophila*
a lichenicolous fungus

Psilolechiaceae - 1 taxa

- ___ *Psilolechia lucida*
Sulfur Dust Lichen

Psoraceae - 6 taxa

- ___ *Brianaria bauschiana*
Bausch's Dot Lichen

Psoraceae

- ___ *Brianaria lutulata*
Rock Dot Lichen
- ___ *Protoblastenia rupestris*
Orange Dot Lichen
- ___ *Psora decipiens*
Blushing Scale Lichen
- ___ *Psora icterica*
Yellow Scale Lichen
- ___ *Psorula rufonigra*
Blue-edged Scale Lichen

Pycnoraceae - 2 taxa

- ___ *Pycnora praestabilis*
Distinguished Clam Lichen
- ___ *Pycnora sorophora*
Adnate Areole Lichen

Pyrenulaceae - 32 taxa

- ___ *Anthracothecium australiense*
Australian Pox Lichen
- ___ *Distopyrenis americana*
American Pox Lichen
- ___ *Lithothelium hyalosporum*
Clear-spored Pox Lichen
- ___ *Lithothelium illotum*
a pox lichen
- ___ *Lithothelium phaeosporum*
Brown-spored Pox Lichen
- ___ *Lithothelium septemseptatum*
Seven-septate Pox Lichen
- ___ *Pyrenula anomala*
a pox lichen
- ___ *Pyrenula aspistea*
a pox lichen
- ___ *Pyrenula balia*
Santee Pox Lichen
- ___ *Pyrenula caryae*
Hickory Pox Lichen
- ___ *Pyrenula confoederata*
Southern Pox Lichen
- ___ *Pyrenula cruenta*
Bark Rash Lichen
- ___ *Pyrenula cuyabensis*
Cuyabeno Pox Lichen
- ___ *Pyrenula dermatodes*
Skin Pox Lichen
- ___ *Pyrenula fetivica*
a pox lichen
- ___ *Pyrenula laevigata*
a pox lichen
- ___ *Pyrenula leucostoma*
White-spotted Pox Lichen
- ___ *Pyrenula macounii*
Macoun's Pox Lichen
- ___ *Pyrenula mamillana*
Mammillary Pox Lichen
- ___ *Pyrenula micheneri*
Michener's Pox Lichen
- ___ *Pyrenula microcarpa*
Small-fruited Pox Lichen
- ___ *Pyrenula microtheca*
Small Pox Lichen
- ___ *Pyrenula nitidula*
a pox lichen
- ___ *Pyrenula pseudobufonia*
Eastern Pox Lichen
- ___ *Pyrenula punctella*
Beech Pox Lichen

Pyrenulaceae

- ___ *Pyrenula pyrenuloides*
a pox lichen
- ___ *Pyrenula quassicola*
Quassia Pox Lichen
- ___ *Pyrenula ravenelii*
Ravenel's Pox Lichen
- ___ *Pyrenula sexlocularis*
Six-cell Pox Lichen
- ___ *Pyrenula subelliptica*
Subelliptic Pox Lichen
- ___ *Pyrenula thelomorpha*
a pox lichen
- ___ *Pyrgillus javanicus*
Java Pyrgillus Lichen

Racodiaceae - 1 taxa

- ___ *Racodium rupestre*
Rock Hair Lichen

Ramalinaceae - 70 taxa

- ___ *Bacidia diffracta*
Diffracted Dotted Lichen
- ___ *Bacidia ekmaniana*
Ekman's Dotted Lichen
- ___ *Bacidia granosa*
Granular Dot Lichen
- ___ *Bacidia helicospora*
Twisted-spore Dotted Lichen
- ___ *Bacidia heterochroa*
Different-colored Dotted Lichen
- ___ *Bacidia laurocerasi*
a dotted lichen
- ___ *Bacidia lobarica*
Smoky Mountain Dotted Lichen
- ___ *Bacidia polychroa*
Multi-colored Dotted Lichen
- ___ *Bacidia purpurans*
Purple Dotted Lichen
- ___ *Bacidia rubella*
Rufous Dotted Lichen
- ___ *Bacidia schweinitzii*
Surprise Lichen
- ___ *Bacidia soreliata*
Sorediate Dotted Lichen
- ___ *Bacidia suffusa*
dotted lichen
- ___ *Bacidia thiersiana*
Thiers' Dotted Lichen
- ___ *Bacidina apiahica*
a leaf dot lichen
- ___ *Bacidina arnoldiana*
Arnold's Dotted Lichen
- ___ *Bacidina assulata*
a dotted lichen
- ___ *Bacidina brittoniana*
Britton's Dotted Lichen
- ___ *Bacidina crystallifera*
Chrystal Dotted Lichen
- ___ *Bacidina delicata*
Ghost Dot Lichen
- ___ *Bacidina egenula*
a dotted lichen
- ___ *Bacidina inundata*
Flooded Dot Lichen
- ___ *Biatora appalachensis*
Appalachian Dotted Lichen
- ___ *Biatora chrysantha*
Golden Dot Lichen

Ramalinaceae

- ___ *Biatora helvola*
Helvola Dot Lichen
- ___ *Biatora longispora*
Long-spored Dotted Lichen
- ___ *Biatora orientalis*
Eastern Dot Lichen
- ___ *Biatora pontica*
Black Sea Dot Lichen
- ___ *Biatora printzenii*
Printzen's Dotted Lichen
- ___ *Biatora pycnidiate*
Pycnidiate Dotted Lichen
- ___ *Biatora vernalis*
Spring Dotted Lichen
- ___ *Bilimbia fuscoviridis*
Green Fluffy Creek Lichen
- ___ *Bilimbia sabuletorum*
Six-celled Moss Dot Lichen
- ___ *Catillochroma albocinctum*
a catillochroma lichen
- ___ *Catillochroma alleniae*
Allen's Catillochroma
- ___ *Catillochroma alligatorensis*
Alligator River Catillochroma
- ___ *Catillochroma beechingii*
Beeching's Catillochroma
- ___ *Catinaria atropurpurea*
a dot lichen
- ___ *Catinaria brodoana*
Brodo's Dot Lichen
- ___ *Cliostomum griffithii*
Multicolored Dot Lichen
- ___ *Cliostomum leprosum*
Dusty Dot Lichen
- ___ *Lecania croatica*
Croatian Dot Lichen
- ___ *Lecania cyrtella*
a rimmed dot lichen
- ___ *Lecania subfuscula*
a rimmed dot lichen
- ___ *Megalania laureri*
Laurer's Megalania
- ___ *Mycobilimbia pilularis*
a dot lichen
- ___ *Phyllopsora confusa*
Confused Lace-Scale Lichen
- ___ *Phyllopsora corallina*
Coralloid Lace-Scale Lichen
- ___ *Phyllopsora isidiosa*
Isidiate Lace-Scale Lichen
- ___ *Phyllopsora kalbii*
Kalb's Lace-scale
- ___ *Phyllopsora parvifolia*
Leafy Lace-Scale Lichen
- ___ *Ramalina americana*
Sinewed Bush Lichen
- ___ *Ramalina complanata*
Bumpy Ramalina
- ___ *Ramalina culbersoniorum*
Southern Cartilage Lichen
- ___ *Ramalina denticulata*
Denticulate Strap Lichen
- ___ *Ramalina dilacerata*
Punctured Ribbon Lichen
- ___ *Ramalina farinacea*
Farinose Cartilage Lichen

Ramalinaceae

- ___ *Ramalina intermedia*
Intermediate Cartilage Lichen
- ___ *Ramalina labiosorediata*
Powdery Twig Lichen
- ___ *Ramalina montagnei*
Striped Ramalina
- ___ *Ramalina paludosa*
Warty Ramalina
- ___ *Ramalina petrina*
Appalachian Trail Lichen
- ___ *Ramalina polymorpha*
Many Morphs Ramalina
- ___ *Ramalina sinensis*
Fan Ramalina
- ___ *Ramalina stenospora*
Southern Strap Lichen
- ___ *Ramalina tenuis*
Slender Strap Lichen
- ___ *Ramalina willeyi*
Thorny Ramalina
- ___ *Scutula circumspecta*
Circumspect Dotted Lichen
- ___ **Scutula dedicata*
Dedicated Lichen Fungus
- ___ *Toniniopsis bagliettoana*
a dot lichen

Ramboldiaceae - 3 taxa

- ___ *Ramboldia blochiana*
Bloch's Crimson Dot Lichen
- ___ *Ramboldia elabens*
Black-fruited Ramboldia
- ___ *Ramboldia russula*
Southern Crimson Dot Lichen

Requienellaceae - 1 taxa

- ___ *#Requienella subcollapsa*
a perithecial fungus

Rhizocarpaceae - 13 taxa

- ___ *Haugania oederi*
Oeder's Map Lichen
- ___ *Poeltinula hochstetteri*
Smooth Map Lichen
- ___ *Poeltinula sylvatica*
Smooth Brown Map Lichen
- ___ *Rehmia cinereovirens*
Ashy Green Map Lichen
- ___ *Rehmia lavata*
Drenched Map Lichen
- ___ *Rehmia petraea*
a map lichen
- ___ *Rehmia reducta*
Reduced Map Lichen
- ___ *Rehmia rubescens*
Rufous Map Lichen
- ___ *Rhizocarpon disporum*
Two-spored Map Lichen
- ___ *Rhizocarpon expallescent*
a map lichen
- ___ *Rhizocarpon geographicum*
Yellow Map Lichen
- ___ *Rhizocarpon grande*
Large Map Lichen
- ___ *Rhizocarpon subgeminatum*
a map lichen

Roccellaceae - 15 taxa

- ___ *Cresponea chloroconia*
Greenish Old-Wood Lichen

Roccellaceae

- ___ *Cresponea flava*
Lemon Fissure Cookies
- ___ *Cresponea premnea*
Golden-dusted Button Lichen
- ___ *Dirina massiliensis*
Soraliata Dirina Lichen
- ___ *Enterographa hutchinsiae*
Miss Hutchins' Script Lichen
- ___ *Enterographa zonata*
Zone Enterographa
- ___ *Gyrographa gyrocarpa*
Twisted Scribble Lichen
- ___ *Lecanactis abietina*
Old Wood Lichen
- ___ *Lecanactis epileuca*
White-tipped Lecanactis
- ___ *Mazosia carnea*
Meaty Mazosia
- ___ *Mazosia viridescens*
Green Mazosia
- ___ *Psoronactis dilleniana*
Psoronactis Lichen
- ___ *Schismatomma glaucescens*
Snowy Crevice-disk
- ___ *Schismatomma pericleum*
Pericles Crevice-disk
- ___ *Schismatomma rappii*
Rapp's Crevice-disk

Roccellographaceae - 1 taxa

- ___ *Dimidiographa longissima*
Long Script Scribble Lichen

Ropalosporaceae - 2 taxa

- ___ *Ropalospora chlorantha*
Comet-spored Lichen
- ___ *Ropalospora viridis*
Green Comet-spored Lichen

Sarrameanaceae - 4 taxa

- ___ *Chicitea confusa*
Confused Chicita Lichen
- ___ *Loxospora cisonica*
Frosted Ragged-Rim Lichen
- ___ *Loxospora elatina*
Fluffy Ragged-Rim Lichen
- ___ *Loxospora ochrophaea*
Eastern Ragged-Rim Lichen

Scoliciosporaceae - 5 taxa

- ___ *Scoliciosporum chlorococcum*
City Dot Lichen
- ___ *Scoliciosporum intrusum*
Intrusive Dot Lichen
- ___ *Scoliciosporum pennsylvanicum*
Pennsylvania Dot Lichen
- ___ *Scoliciosporum pruinosum*
Dusty Dot Lichen
- ___ *Scoliciosporum umbrinum*
Umber Dot Lichen

Spirographaceae - 3 taxa

- ___ **Spirographa fusisporella*
Spiral-spored Lichen Fungus
- ___ **Spirographa lichenicola*
a lichenicolous fungus
- ___ **Spirographa triangularis*
Triangular Lichenicolous Fungus

Squamarinaceae - 1 taxa

- ___ *Herteliana schuyleriana*
Schuyler's Herteliana

Stereocaulaceae - 31 taxa

- ___ *Hertelidea pseudobotryosa*
Hertel's Lichen
- ___ *Lepraria arbuscula*
Mealy Lichen
- ___ *Lepraria aurescens*
dust lichen
- ___ *Lepraria caesiella*
dust lichen
- ___ *Lepraria cryophila*
Cold-loving Dust Lichen
- ___ *Lepraria eburnea*
dust lichen
- ___ *Lepraria elobata*
dust lichen
- ___ *Lepraria finkii*
Fluffy Dust Lichen
- ___ *Lepraria friabilis*
Friable Dust Lichen
- ___ *Lepraria harrisiana*
Harris' Dust Lichen
- ___ *Lepraria hodkinsoniana*
Hodkinson's Dust Lichen
- ___ *Lepraria humida*
Humid Dust Lichen
- ___ *Lepraria jackii*
Jack's Dust Lichen
- ___ *Lepraria lanata*
Appalachian Dust Bunnies
- ___ *Lepraria membranacea*
Membrane Dust Lichen
- ___ *Lepraria neglecta*
Zoned Dust Lichen
- ___ *Lepraria normandinoides*
Elf-ear Dust Lichen
- ___ *Lepraria oxybapha*
Lesser Lichen Vulgaris
- ___ *Lepraria rigidula*
Rigid Dust Lichen
- ___ *Lepraria vouauxii*
dust lichen
- ___ *Lepraria xanthonica*
Yellow Dust Lichen
- ___ *Stereocaulon condensatum*
Sandy Soil Foam
- ___ *Stereocaulon dactylophyllum*
Finger-scale Foam Lichen
- ___ *Stereocaulon glaucescens*
Alpine Rock Foam
- ___ *Stereocaulon paschale*
Cottontail Foam Lichen
- ___ *Stereocaulon pileatum*
Pixie Foam Lichen
- ___ *Stereocaulon saxatile*
Rock Foam Lichen
- ___ *Stereocaulon tennesseense*
Bony Foam Lichen
- ___ *Stereocaulon tennesseense* var. *nigrofastigiatum*
Dense Bony Foam Lichen
- ___ *Xyleborus nigricans*
Black Caps
- ___ *Xyleborus sporodochifer*
Wood Dot Lichen

Stictidaceae - 7 taxa

- ___ *Absconditella delutula*
an absconditella lichen
- ___ *Absconditella lignicola*
Wood Absconditella

Stictidaceae

- ___ *Stictis urceolatum*
Can of Worms Lichen
- ___ *Thelopsis corticola*
Orange Dust Lichen
- ___ *Thelopsis inordinata*
an immersed perithecial lichen
- ___ *Thelopsis rubella*
Rufous Thelopsis
- ___ *Topelia aperiens*
a topelia lichen

Stictographaceae - 2 taxa

- ___ **Buellia minima*
Minute Button Fungus
- ___ **Buellia trypethelii*
Trypethelium Button Fungus

Strangosporaceae - 2 taxa

- ___ *Strangospora deplanata*
a strangospora lichen
- ___ *Strangospora moriformis*
a strangospora lichen

Strigulaceae - 5 taxa

- ___ *Dichoporis tenuis*
a pyrenolichen
- ___ *Dichoporis viridiseda*
a pyrenolichen
- ___ *Strigula smaragdula*
a leaf lichen
- ___ *Swinscowia laceribracae*
a pyrenolichen
- ___ *Swinscowia stigmatella*
a pyrenolichen

Teloschistaceae - 33 taxa

- ___ *Athallia holocarpa*
Orange Firedot Lichen
- ___ *Blastenia ferruginea*
Rusty Firedot Lichen
- ___ *Caloplaca cerina*
Gray-rimmed Firedot
- ___ *Caloplaca cinnabarina*
Cinnabar Firedot Lichen
- ___ *Caloplaca granularis*
Granular Firedot Lichen
- ___ *Caloplaca pelloidella*
Olive Firedot Lichen
- ___ *Caloplaca sideritis*
a firedot lichen
- ___ *Flavoplaca citrina*
Mealy Firedot Lichen
- ___ *Flavoplaca flavocitrina*
Lemon Shingles
- ___ *Gyalolechia flavorubescens*
Bark Sulphur Firedot
- ___ *Gyalolechia flavovirescens*
Sulfur Firedot
- ___ *Gyalolechia xanthostigmoidea*
Crusty Sulfur Lichen
- ___ *Huneckia pollinii*
firedot lichen
- ___ *Kuettlingeria diphyodes*
a firedot lichen
- ___ *Lacrima epiphora*
a firedot lichen
- ___ *Lendemeriella reptans*
Creeping Lendemmer's Lichen
- ___ *Obscuroplaca camptidia*
Obscure Firedot Lichen

Teloschistaceae

- ___ *Polycauliona candelaria*
Shrubby Sunburst Lichen
- ___ *Polycauliona polycarpa*
Pin-cushion Sunburst Lichen
- ___ *Rufoplaca arenaria*
Granite Firedot Lichen
- ___ *Rusavskia elegans*
Elegant Sunburst Lichen
- ___ *Rusavskia soredata*
Sugared Sunburst Lichen
- ___ *Solitaria chrysophthalma*
Golden Firedot Lichen
- ___ *Squamulea subsoluta*
Squamulose Firedot Lichen
- ___ *Teloschistes chrysophthalmus*
Golden-eye Lichen
- ___ *Teloschistes flavicans*
Golden-hair Lichen
- ___ *Wetmoreana brouardii*
Brouard's Firedot Lichen
- ___ *Xanthocarpia feracissima*
Sidewalk Firedot Lichen
- ___ *Xanthomendoza fallax*
Hooded Sunburst Lichen
- ___ *Xanthomendoza fulva*
Bare-bottom Sunburst Lichen
- ___ *Xanthomendoza hasseana*
Poplar Sunburst Lichen
- ___ *Xanthomendoza ulophyllodes*
Powdery Sunburst Lichen
- ___ *Xanthomendoza weberi*
Weber's Sunburst Lichen

Tephromelataceae - 5 taxa

- ___ *Mycoblastus caesius*
Light Blue Blood Lichen
- ___ *Mycoblastus sanguinarioides*
Inspersed Blood Lichen
- ___ *Mycoblastus sanguinarius*
Bloody Heart Lichen
- ___ *Tephromela atra*
Black-eye Lichen
- ___ *Violella fucata*
Inner Violet Lichen

Thelenellaceae - 3 taxa

- ___ *Thelenella brasiliensis*
Brazilian Thelenella
- ___ *Thelenella muscorum*
Moss Thelenella
- ___ *Thelenella rappii*
Rapp's Thelenella

Thelocarpaceae - 2 taxa

- ___ *Thelocarpon intermediellum*
Intermediate Thelocarpon
- ___ *Thelocarpon laureri*
Laurer's Thelenella

Trapeliaceae - 15 taxa

- ___ *Placynthiella dasaea*
a pale dot lichen
- ___ *Placynthiella hyporhoda*
a tar-spot lichen
- ___ *Placynthiella icmalea*
Stiff Tar-spot Lichen
- ___ *Placynthiella uliginosa*
Pear Tar-spot Lichen
- ___ *Rimularia badioatra*
Beaded Rimularia

Trapeliaceae

- ___ *Trapelia coarctata*
Arctic Pebble Lichen
- ___ *Trapelia corticola*
Bark Trapelia
- ___ *Trapelia glebulosa*
Radiate Pebble Lichen
- ___ *Trapelia obtegens*
a pebble lichen
- ___ *Trapelia placodioides*
Cracked Paint Lichen
- ___ *Trapelia stipitata*
Stipitate Pebble Lichen
- ___ *Trapeliopsis flexuosa*
Fence-rail Lichen
- ___ *Trapeliopsis gelatinosa*
a mottled disk lichen
- ___ *Trapeliopsis granulosa*
Granular Mottled-Disk Lichen
- ___ *Trapeliopsis viridescens*
Green Mottled-disk Lichen

Tremellaceae - 12 taxa

- ___ **Biatoropsis rubicundae*
Red Beard Lichen Fungus
- ___ **Tremella cetrariicola*
Wrinkle Lichen Tremella
- ___ **Tremella cladoniae*
Cladonia Jelly Fungus
- ___ **Tremella flavoparmeliae*
Greenshield Lichen Fungus
- ___ **Tremella graphidicola*
Script Lichen Jelly Fungus
- ___ **Tremella harrisii*
Harris' Jelly Fungus
- ___ **Tremella huuskonenii*
Hyperparasite Tremella
- ___ **Tremella parmiliarum*
Reticulated Ruffle Lichen Tremella
- ___ **Tremella parmoperforati*
Powdered Ruffle Lichen Tremella
- ___ **Tremella pertusariae*
Wart Lichen Tremella
- ___ **Tremella phaeographidis*
Phaeographis Tremella
- ___ **Tremella zamorae*
Zamora's Tremella

Trichothyriaceae - 2 taxa

- ___ **Lichenopeltella heterodermiicola*
Fringe Lichen Fungus
- ___ **Lichenopeltella peltigericola*
Pelt Lichen Fungus

Trypetheliaceae - 16 taxa

- ___ *Arthopyrenia analepta*
pyrenolichen
- ___ *Arthopyrenia betulicola*
Old Birch Spots
- ___ *Arthopyrenia degelii*
Degelius' Pimple Lichen
- ___ *^Arthopyrenia fallaciosa*
White Pyrenofungus
- ___ *Arthopyrenia taxodii*
Cypress Dots
- ___ *Bathelium carolinianum*
Carolina Crowded-warts
- ___ *Constrictolumina cinchonae*
Quinine Pyrenolichen
- ___ *Dictyomeridium proponens*
a pyrenolichen

Trypetheliaceae

- ___ *Macroconstrictolumina lyrata*
a pyrenolichen
- ___ *Nigrothelium tropicum*
Peppercorn Lichen
- ___ *Polymeridium quinqueseptatum*
Five-septate Polymeridium
- ___ *Polymeridium subcinereum*
a pyrenolichen
- ___ *Pseudobogoriella captiosa*
a pyrenolichen
- ___ *Pseudopyrenula subnudata*
a pyrenolichen
- ___ *Trypethelium eluteriae*
Speckled Yellow Blister Lichen
- ___ *Viridothelium virens*
Speckled Blister Lichen

Umbilicariaceae - 12 taxa

- ___ *Umbilicaria americana*
frosted rock tripe
- ___ *Umbilicaria caroliniana*
Carolina Toadskin
- ___ *Umbilicaria mammulata*
Smooth Rock Tripe
- ___ *Umbilicaria muhlenbergii*
Muhlenberg's Rock Tripe
- ___ *Umbilicaria papulosa*
Common Toadskin
- ___ *Umbilicaria pensylvanica*
Pennsylvania Toadskin
- ___ *Umbilicaria phaea*
Emery Toadskin
- ___ *Umbilicaria polyrhiza*
Ballpoint Rocktripe
- ___ *Umbilicaria pustulata*
Blistered Toadskin
- ___ *Umbilicaria torrefacta*
Punctured Rocktripe
- ___ *Umbilicaria vellea*
Grizzled Rocktripe
- ___ *Xylopsora friesii*
Old Growth Clam Lichen

Uncertain - 30 taxa

- ___ *Aspilidea myrinii*
False Sunken Rim Lichen
- ___ **Bachmanniomyces punctum*
a lichenicolous fungus
- ___ *Bactrospora brevispora*
Short-spored False Button Lichen
- ___ *Bactrospora carolinensis*
Carolina False Button Lichen
- ___ *Bactrospora lamprospora*
Big-spored False Button Lichen
- ___ **Biatoropsis usnearum*
a beard lichen fungus
- ___ *Botryolepraria lesdainii*
False Dust Lichen
- ___ **Calongeomyces gibelluloides*
Calonge's Lichenicolous Conidial Fungus
- ___ **Cercidospora epipolytropa*
Granite Speck Rim Lichen Fungus
- ___ *Dictyocatenulata alba*
a lichenized, synnematous hyphomycete fungus
- ___ **Epicladonia sandstedei*
Sandstede's Epicladonia Fungus
- ___ **Epicladonia simplex*
Simple Epicladonia Fungus

Uncertain

- ___ **Homostegia hertelii*
Hertel's Homostegia Fungus
- ___ **Homostegia piggottii*
Piggot's Homostegia Fungus
- ___ **Intralichen lichenum*
a lichenicolous fungus
- ___ **Lichenodiplis lecanorae*
a rim lichen fungus
- ___ **Lichenodiplis pertusariicola*
a wart lichen fungus
- ___ *Micareopsis irriguata*
Irrigated Rock Lichen
- ___ **Minutoexcipula mariana*
Mariana Lichen Fungus
- ___ **Minutoexcipula miniattoexcipula*
Sunset-rimmed Lichen Fungus
- ___ **Minutoexcipula tuckerae*
Tucker's Wart Lichen Fungus
- ___ **Monodictys epilepraria*
Dust Lichen Fungus
- ___ **Muellerella erratica*
a lichenicolous fungus
- ___ **Muellerella lichenicola*
a lichenicolous fungus
- ___ **Patriciomyces valentinianus*
Valentine's Lichen Fungus
- ___ *Piccolia nanmaria*
Orange Speck Lichen
- ___ *^Rebentischia massalongoi*
White-tailed Spore Fungus
- ___ **Roselliniella euparmeliicola*
True Parmelia Lichen Fungus
- ___ **Roselliniopsis tropica*
Tropical Lichen Fungus
- ___ **Vouauxiella lichenicola*
a lichenicolous fungus

Vahliellaceae - 1 taxa

- ___ *Vahliella leucophaea*
Rock Shingle Lichen

Verrucariaceae - 39 taxa

- ___ *Agonimia flabelliformis*
Flabelliform Agonimia Lichen
- ___ *Agonimia gelatinosa*
Gelatinous Agonimia Lichen
- ___ *Agonimia opuntiella*
Spiny Agonimia Lichen
- ___ *Bagliettoa baldensis*
Bald Pitted Stone Lichen
- ___ *Bagliettoa calciseda*
Pitted Limestone Lichen
- ___ *Dermatocarpon arenosaxi*
Thin Stipple Lichen
- ___ *Dermatocarpon intestinforme*
Quilted Stippleback Lichen
- ___ *Dermatocarpon luridum*
Streamside Stippleback Lichen
- ___ *Dermatocarpon miniatum*
Lesser Stippleback Lichen
- ___ *Dermatocarpon muhlenbergii*
Muhlenberg's Stippleback Lichen
- ___ *Dermatocarpon multifolium*
Multilobed Stippleback Lichen
- ___ *Endocarpon pallidulum*
Pallid Stippled Lichen
- ___ *Endocarpon petrolepideum*
Rock Stippled Lichen

Verrucariaceae

- ___ *Flakea papillata*
The Thing
- ___ *Hydropunctaria rheitrophila*
Spotted River Wart Lichen
- ___ *Normandina pulchella*
Elf-eared Lichen
- ___ **Phaeospora rimosicola*
Crack-Dwelling Phaeospora Fungus
- ___ *Placidiopsis minor*
Minute Stipplescale
- ___ *Placidium arboreum*
Tree Stipplescale
- ___ *Placidium lachneum*
Earth Lichen
- ___ *Placidium michelii*
Sandy Soil Stipplescale
- ___ *Placidium squamulosum*
Limy Soil Stipplescale
- ___ *Placopyrenium fuscillum*
Branching Speck Lichen
- ___ *Psoroglaena dictyospora*
a speck lichen
- ___ *Staurothele fissa*
Lakezone Lichen
- ___ *Thelidium minutulum*
a speck lichen
- ___ *Thelidium pyrenophorum*
Pyreno-speck Lichen
- ___ *Thelidium zwackhii*
Zwackh's Speck Lichen
- ___ *Verrucaria aethiobola*
a speck lichen
- ___ *Verrucaria calkinsiana*
Calkins' Speck Lichen
- ___ *Verrucaria cernaensis*
Cracked Speck Lichen
- ___ *Verrucaria funckii*
Funck's Wart Lichen
- ___ *Verrucaria furfuracea*
Isidioid Speck Lichen
- ___ *Verrucaria hydrela*
Streamside Speck Lichen
- ___ *Verrucaria nigrescens*
Black Speck Lichen
- ___ *Verrucaria phloeophila*
Phloem-loving Speck Lichen
- ___ *Verrucaria polysticta*
a speck lichen
- ___ *Verrucaria rupestris*
a speck lichen
- ___ *Willeya diffractella*
Willey's Lichen

Vezeniaeaceae - 1 taxa

- ___ *Vezenia leprosa*
Vezenia's Lichen

Xanthopyreniaceae - 1 taxa

- ___ *Collemopsidium angermannicum*
Angermann's River Tar Lichen

Xylographaceae - 3 taxa

- ___ *Lambiella caeca*
Lamb's Lichen
- ___ *Xylographa disseminata*
Disseminate Woodscript Lichen
- ___ *Xylographa trunciseda*
Truncated Woodscript Lichen

Zythyaceae - 1 taxa

- ___ ^*Zythia resiniae*
Resin Fungus

Symbols

- * = lichenicolous fungus
- ^ = allied fungus
- # = uncertain affinity
