

Orthodes goodelli Goodell's Arches Moth

FAMILY: Noctuidae SUBFAMILY: Noctuinae TRIBE: Eriopygini

TAXONOMIC COMMENTS: Information based primarily on molecular data and/or genitalia indicate that the genus that this species currently is assigned to is misapplied, but the correct genus to which it should be assigned has not been determined by experts. The genus name is sometimes placed in quotation marks (<i>"Orthodes" goodelli</i>) to indicate the misapplied name.

FIELD GUIDE DESCRIPTIONS: Covell (1984; as *Polia goodelli*); Beadle and Leckie (2012)
