ID COMMENTS:

DISTRIBUTION: Please refer to the dot map.

FLIGHT COMMENT: Please refer to the flight charts.

HABITAT: Records from Alleghany County come from a site located next to a small river. We also have an historic record from Brevard (Wray, 1967), which is located along the French Broad River, although we do not know of any records for *Populus* from Transylvania county.

FOOD: Reported hosts include poplars (*Populus*) and willow (*Salix*) (Ferguson, 1975; Miller et al., 2018).

OBSERVATION_METHODS:

NATURAL HERITAGE PROGRAM RANKS: G5 SNR [SH]

STATE PROTECTION: Has no legal protection, although permits are required to collect it on state parks and other public lands.

COMMENTS: We have only four historic records for this northern species in North Carolina
