

## An AMPHIBIAN Checklist for Gorges State Park 25 taxa

Herpetology is the branch of zoology dedicated to the study of amphibians (frogs, toads, salamanders, and newts) and of reptiles (snakes, lizards, turtles, and crocodilians). "Herps" are a diverse and interesting group of animals that are important elements in the fabric of life.

Amphibian is derived from the Greek work "amphibios". "Amphi" meaning 'both' and "bio" meaning 'life' - hence leading a double life. Indeed, most amphibians are aquatic as juveniles and breath with gills. After transformation, the adults usually live on land and most have lungs.

Many amphibians are very sensitive to environmental change. Their diversity and abundance can be an indication of an area's ecological health.

In early spring and during the summer listen for the calls of frogs and toads. Salamanders and newts, however, are silent and can be quiet secretive.

Reptiles, unlike amphibians, have dry skin covered with horny scales. Most, with the exception of snakes and legless lizards, have 4 legs with five clawed digits on each foot. While some amphibians retain gills as adults, all reptiles breathe solely by means of lungs.

Look for these cold-blooded animals on warm to hot sunny days when they bask on rocks, logs and tree trunks. Sixty-seven species have been recorded in North Carolina.

**25 AMPHIBIAN taxa**

**AMBYSTOMATIDAE: [1]**

\_\_\_ Spotted Salamander ..... x - - -  
*Ambystoma maculatum*

**PLETHODONTIDAE: [13]**

\_\_\_ Green Salamander ..... x x x x  
*Aneides aeneus*

\_\_\_ Shovel-nosed Salamander ..... - x - -  
*Desmognathus marmoratus*

\_\_\_ Black-bellied Salamander ..... - x x -  
*Desmognathus quadramaculatus*

\_\_\_ Ocoee Salamander ..... x x x -  
*Desmognathus ocoee*

\_\_\_ Blue Ridge Two-lined Salamander ..... x x x -  
*Eurycea wilderae*

\_\_\_ Three-lined Salamander ..... x x x -  
*Eurycea guttolineata*

\_\_\_ Carolina Spring Salamander ..... x x - x  
*Gyrinophilus porphyriticus dunni*

\_\_\_ Southern Gray-cheeked Salamander ..... x x x -  
*Plethodon metcalfi*

\_\_\_ Southern Red-backed Salamander ..... x - - -  
*Plethodon serratus*

\_\_\_ Southern Appalachian Salamander ..... x x - x  
*Plethodon teyahalee*

\_\_\_ Black-chinned Red Salamander ..... x x x -  
*Pseudotriton ruber schencki*

**SALAMANDRIDAE: [1]**

\_\_\_ Red-spotted (Eastern) Newt ..... x x x x  
*Notophthalmus viridescens viridescens*

**HYLIDAE: [2]**

\_\_\_ Cope's Gray Treefrog ..... x x - -  
*Hyla chrysoscelis*

\_\_\_ Squirrel Treefrog ..... x - - -  
*Hyla squirella*

**BUFONIDAE: [2]**

\_\_\_ Eastern American Toad ..... x x x -  
*Anaxyrus americanus*

\_\_\_ Fowler's Toad ..... - x - -  
*Anaxyrus fowleri*

**HYLIDAE: [2]**

\_\_\_ Spring Peeper ..... x x - x  
*Pseudacris crucifer*

**RANIDAE: [4]**

\_\_\_ American Bullfrog ..... - x x -  
*Lithobates catesbeianus*

**RANIDAE: [4]**

\_\_\_ Green Frog ..... x x - -  
*Lithobates clamitans*

\_\_\_ Pickerel Frog ..... - x x -  
*Lithobates palustris*

\_\_\_ Wood Frog ..... x - x x  
*Lithobates sylvaticus*

**PLETHODONTIDAE: [13]**

\_\_\_ Seal Salamander ..... x x x x  
*Desmognathus monticola*

\_\_\_ Chattooga Dusky Salamander ..... - x - -  
*Desmognathus perlapsus*

\_\_\_ Northern Red Salamander ..... x x - x  
*Pseudotriton ruber ruber*
